REFRESHMENTS WILL BE SERVED

Naturally we were thinking along the lines of expansion and progress when we designed our new building. But there is one more most important part in any company's growth—customer convenience. Convenience for our customers is what we centered our whole new building program around. We feel sure that our customers like convenience and have shown this by their increasing patronage.

Goodbody & Company now has 70 offices located throughout the country serving an ever growing number of clients. And Goodbody & Company in Birmingham is happy to be a part of this fine group.

We picked Birmingham because we feel it is the nucleus of the dynamic, progressive and fast growing North Detroit suburban area. We intend to be part of it. Because of its central location, we know our customers will appreciate the convenience. Just a step from a bus stop—if you'd rather ride than drive. If you drive your car, we have more than adequate parking facilities—our own and municipal.

We welcome you to inspect and use our modern security investment offices and look forward to meeting you. In addition to regular daily office hours, we will be open Saturday mornings from 9 to 12:30 and on Monday evenings from 7 to 9.

IT'S WITH GREAT PLEASURE WE ANNOUNCE THE  
OPENING OF OUR NEW HOME and LOOK FORWARD  
TO SHOWING THESE NEW FACILITIES TO YOU
