Tiny Snowmen Brighten Meals of Young Patients
By BILL MAZMAN
MI 5-1683
Mrs. Robert Davis of the Beverly
Hills Woman's Club, who is chairman
of its Social Committee, recently received
a Christmas gift that was especially torrid. The gift was a box of the world's
most powerful snowmen. The snowmen
are made of black powder and when tossed
at the Dayton's department store, the
snowmen exploded with a loud boom. As
Mrs. Davis opened the box, she was happy
to find that the snowmen were not only
beautiful, but also functional. She plans
to use them to decorate her house for the
upcoming holiday season. She also
expressed her gratitude to the Beverly
Hills Woman's Club for providing such
a thoughtful gift.
