Knowing the Score

Going over a score for a lecture course in Music of the Opera at a clock show, Mrs. Alice Vanek, chairman of the Vestavia Music Guild, who is serving as course chairman, has found time to add a new dimension to the program which has been given for the past two years at the University of Alabama. The music discussion under the direction of Mr. Vanek and Dr. Alice Vanek has attracted a large audience of music lovers, including music students and professional musicians. The program includes a wide variety of musical works, ranging from classical to modern compositions.
