Look for the handy new INDEX in your 1964 North Woodward Area Yellow Pages!

Shopping the Yellow Pages way will now be faster and easier than ever before. There's a handy cross reference Index at the beginning of your new Yellow Pages...so show you exactly how everything is listed, and how to find it fast.

Even gives you the page number to turn to!

Suppose you want to rent a house for the big family coming up. No need to wonder if the Yellow Pages calls it a house, a ranch, or a dinner jacket. Just look in the Index for the first heading that occurs to you..."House Renting" for example. The Index will refer you to the correct classification ("Dwelling Unit Renting") and will tell you the page you'll find it on.

Turn these pages...a complete list of all the rental shops in your area.

Speed your shopping. Always look first in the new Index of your Yellow Pages.
