**Garden Club Discusses Winter House Plants**

By ELLI BLAUMANN  
MI 7-1466

The Valley Woods Garden Club held its January meeting at the Belline Trail home of Mrs. Fred Westbury where fellow members Mrs. Frank Neward, Mrs. Robert Foley, and Mrs. Gordon Andrus gave information and encouragement to those whose thumbs were not the same bright shade of green.

These topics were terrariums and house plants, both welcome subjects in the midst of winter when we could all use a dash of spring-green.

Club members who made wreaths at the Christmas workshop, using leaves, cones, nuts,

and fruit brought them to the meeting and demonstrated how they were used during the holidays.

Cohostesses were Mrs. Gerald Joyn, Mrs. Robert Foley and Mrs. Russell Seaburger. The next meeting of the group will be on Feb. 10 at the East-lady Drive home of Mrs. Robert Beesley, when Mr. Lewis Sappington, A.I.D., will speak on interior decorating. Cohostesses will then be Mrs. Richard Huff, Mrs. Doyle Lane and Mrs. Robert Beesley.

MR. AND MRS. MICHAEL D. Sheehan of Auburn Drive are the new proud parents of baby boy Michael, Jr., recently adopted by the couple.

Little Michael had been long awaited, as the first shower in his honor was given by Mrs. Karl Kiefer last summer. Another was given last Tuesday by Mrs. Elmer Dice of Grosse Pointe, and still another will be given by Mrs. William Naples on Saturday, Feb. 8.

His blessing at Our Lady Queen of Martyrs Church took place last Sunday, followed by a christening party at home.

Mr. and Mrs. Kevin Whiting of Buckingham Road hosted an evening of bridge, round robin style, on Jan. 18. Guests were Mr. and Mrs. Richard McCabe, Mr. and Mrs. Jay Valade, Mr. and Mrs. John Conroy, Jr., Mr. and Mrs. Dale Stevenson and Mr. and Mrs. Al Rich. High scorer was Mrs. McCabe.

OPEN HOUSE at the Greenfield School on the evening of Wednesday, Feb. 5, sounds like one that no parent will want to miss. The children will be there, acting as hosts, and will escort their parents around to see their work, which in itself is a wonderful way to spend the evening.

However, this time, everyone will have an opportunity to win something. Ways and Means chairmen Mr. and Mrs. James Golden came up with autographed Red Wing hockey sticks, a transistor radio, and a yard long box of Ricelli's candy, all of which will be given away that evening. Hospitality chairman in charge

of refreshments for the evening will be Mrs. Carl Betley of Beechwood Road.

IT'S FIVE of a kind for Mr. and Mrs. Lincoln Warrell of East Butland, who had their fifth daughter on Sunday, Jan. 15, at William Beaumont Hospital. Little Mary Kathryn weighed in at 6 pounds, 14 ounces.

Mr. and Mrs. "Chick" Holmes of Auburn Drive took a jet to New York City on Jan. 16 for a fast-paced week end. They stayed at the Astor, but hardly long enough to do more than change clothing and sleep a little.

They saw "Oliver," "Mary, Mary," and "A Funny Thing Happened on the Way to the Forum," visited the United Nations building, the Latin Quarter, Rockefeller Center, and spent one day shopping, before returning home on Jan. 19.

THE COMMITTEE in charge of preparations for the annual P.T.A. card party at the Beverly School met at the Locherbie home of Mrs. Raymond E. Bean on Tuesday, Jan. 21. The theme of the affair, to be held on Friday, Feb. 21, was decided upon and will be "The Mad Hatters" — Alice-in-Wonderland

Fury 2-door hardtop

This is the exact model Plymouth that just beat Ford and Chevrolet in 10 out of 10 tests at Sebring.

If it doesn't look like a racing car, that's because it isn't one. It's a showroom car with standard V-8 engine.

And the tests were of "things you buy a car for"—acceleration, handling, braking, gas economy. Besides that, of the three cars tested, Plymouth costs least, and carries the only 5-year/50,000-mile warranty\*.

There's a Plymouth showroom not far from you.
