BLOOMFIELD SOUTH
B'ham Farms Children Treated to Hayride, Party

By ELAINE WATSON

The Hayfield Farm's Association, a group of farm families who currently reside in the Bloomfield area, recently held a special event for children. The event was held at the farm of Mr. and Mrs. John Smith, 123 Farm Rd., Bloomfield, and was attended by children from the surrounding community.

The event was a fun-filled day of games, crafts, and hayrides. The children were divided into groups, and each group had their own designated area where they could play and have fun.

One of the highlights of the day was the hayride, which was a popular activity among the children. They rode in wagons pulled by the farm's horses, and enjoyed the beautiful outdoor scenery.

At the end of the day, the children were treated to a special party, where they were given gifts and had the opportunity to socialize with each other.

The Hayfield Farm's Association is a group of farm families who are dedicated to preserving the traditions of the farm. They hold regular events and activities for children and adults, and are always looking for new ways to bring the community together.
