Red Cross Honors A Volunteer

Congratulations are in order for Robert T. Ross (A.B.A., 1928), Professor Emeritus at the University of Pennsylvania Law School, who has been honored by the American Red Cross Chapter of the American Red Cross National Headquarters in recognition of his outstanding service. Mr. Ross was presented with the Distinguished Service Award by Judge Philip P. Parisi, President of the American Red Cross National Headquarters.

More Time for Loafing In B'ham, Study Shows

A new study shows that Birmingham residents may have more leisure time than workers in other major cities. The study was conducted by the University of Alabama and the Bureau of Labor Statistics.

The study found that Birmingham residents have an average of 16 hours of leisure time per week, compared to 14 hours in New York, 15 hours in Chicago, and 14 hours in Los Angeles.

CMU Graduating From Four Areas

The University of Alabama has announced the names of four graduates who will be awarded degrees in the College of Arts and Sciences.

The graduates are:
- Lisa H. Galloway, who will receive a Bachelor of Arts degree in English.
- Mark A. Thompson, who will receive a Bachelor of Science degree in Biology.
- Jennifer L. Johnson, who will receive a Bachelor of Science degree in Chemistry.
- Stuart W. Brown, who will receive a Bachelor of Science degree in Mathematics.

New School Program Brings Praise From All Concerned

The new school program has received widespread praise from educators and community leaders.

"This program is a significant step forward," said Dr. John Smith, Superintendent of Schools. "It provides a balanced curriculum that meets the needs of all students, including those with special needs."

"I am very impressed with the dedication and hard work of the staff," said Principal Jane Doe. "They have worked tirelessly to make this program a success."

"This program is a great example of how schools can work together to provide the best education for all students," said Mayor John Doe.

B'ham Youth Among Academy Nominees

27 Rep. Noel Bouldin, D-Huntsville, announced that four Alabama high school students have been nominated for the United States Naval Academy.

Harmon, 1980 (CHS), 1981 (AHS), 1982 (AHS), and 1983 (AHS) will be among the nominees for the prestigious military academy.

The nominations were made by a panel of USNA admissions officers who reviewed the students' academic and extracurricular achievements.

Cite Local Recruit For Clean Berths

Michael J. Blank, Jr., 18, of Mo., and Mrs. George H. Sabin of 1445 Highmore, Birmingham, were awarded a scholarship to the University of Alabama in recognition of their outstanding service to their community.

"We are very proud of Mr. Blank and his family," said Mayor travels. "His dedication to the community is an inspiration to us all."

"Mrs. Sabin has been a great asset to our community," said City Manager John Doe. "She has volunteered countless hours to support local organizations and events."

"Mr. Blank is an excellent example of what we are looking for in a community leader," said City Councilman John Doe. "His commitment to the community is truly remarkable."

Southfield Moms Ready March

Organizing the Southfield Mothers' March on Polls, scheduled for Tuesday, Jan. 29, is Mrs. John Lightbloom, 1910 Coral Bells, who has put in years of volunteer service with the group. Here she gives last-minute instructions for the day-long march to (left) Mrs. G. G. Allen, 1908 Coral Bells; area chairman William Kemp and Mrs. C. L. Arkin.

Submarine School Graduates Area Man

Robert W. Nickerson, electronics technician, graduated from the Submarine School at the Naval Submarine Base in Groton, Conn.

The Submarine School is a specialized training program for personnel responsible for the operation and maintenance of submarine electronic equipment.

Nickerson, who has served in the Navy for five years, graduated from the Submarine School with high honors.

"I am proud to be a part of this prestigious program," said Nickerson. "I have learned so much here and am excited to put my new skills to work in the field."
