Mr. Teppert is with a realty company on the east side of Detroit. He is a graduate of the University of Michigan and Wayne Law School. When relaxing he enjoys music while Mrs. Teppert likes all the arts.

THE M. FORHANS of South Clunbury claim they didn't do much of anything this summer except go boating. They have a sailboat which they keep on Lake Orion and spent most of the nice days out on the waters. Sons Paul and Tim and daughters Kathy and Maureen proved to be excellent deck hands.

The nominating committee of the Cranbrook-Maple Association held a meeting at the home of the John Bones of So. Cranbrook Cross Road on Sept. 22. The present officers and block captains of the association were present and assisted in preparing a slate of officers to be elected at their annual meeting which is to be held on Oct. 20 at Westchester School.
