NEWS OF THE SCHOOLS

Five-Foot Bronze Falcon Statue To Debut at Groves

By NANCIE BOUWMAN
Special Writer

After a month of school the memories of summer vacation are beginning to fade and the students are becoming accustomed to the usual routine once again.

This year the Groves' Student Council representatives are J. D. Bartleson, president; Bill Richards, vice president; Carol Pais, secretary; and Gail Hoover, treasurer. Our class presidents are Hal Morse, twelfth grade; Rick Whitman, eleventh; and Betsy Bates, tenth. The ninth grade president has not yet been elected. Ken Callis and Bill Fulton are running for the office.

SOON TO BE greeting Groves' students will be a five-foot bronze

Falcon setting on a 10-foot polished granite pedestal, presented by the graduating class of 1964.

It was designed and cast by the world renowned Marshall Fredericks of Birmingham.

The girls of grades 10-12 are now beginning their practice for the powder puff football games. This is an annual activity in which the girls get on the field, learn the plays and rules and attempt to play touch football.

The sophomores and juniors will play and the winners will compete against the seniors. The boys are also diligently practicing new cheers to help support the teams.

This year, for the first time, our school has organized a Pep Club. Its purpose is to promote and uphold school spirit and to cheer the team on to victory. They will supply transportation to all the away games and they will have a cheering block.

ON OCT. 12, Groves will sponsor the Northwest Suburban Activities League Student Council dinner in the Home Economic rooms. There will be six representatives and advisors from each school attending.

The group sponsors Exchange

2 Exchange Students at Kingswood

By MARY JANE HILDER
Special Writer

This year Kingswood again has two foreign students as members of the senior class. Pijo Vaisanen, who is sponsored by the Youth For Understanding Exchange Program, is from Finland and is staying at the home of Kathie McGregor in Rochester.

Our American Field Service student, Eva Peters, is from Sweden. Eva is staying with Mary Weir.

Six girls from Kingswood's senior class spent an exciting and rewarding summer in Europe through the Youth For Understanding Exchange Program.

KAREN Christianson went to Sweden. Katie Lovett to England. Jane Mays to the Netherlands and Chris Bodrill, Candy Porter, and Mary Weir to Germany. The girls lived for two months with a family in their respective countries.

The annual Get-Acquainted Dance, open to grades 11 through 12, was held at Cranbrook on Oct. 3. The dance was sponsored by the Joint Activities Committee, of which Terry Lerchen is the chairman.

The annual Mothers' Visiting Days begin Oct. 8 when the mothers of seniors will visit the school. Mothers of underclassmen will visit on successive Thursdays during the months of October and November.

THE PURPOSE of the Mothers' Visiting Days, along with Dads' Day in February, is to give the parents an opportunity to observe the way in which classes are conducted and to learn what each teacher expects to accomplish during the school year.

B'field Country Day Elects Student Council

By DALE HOWER
Special Writer

This being a year of elections, BCDS has already made its debut in the political world. Susan Judd, a senior, has been elected to the office of student council president, a position not only of honor but also of responsibility.

Mary Monaghan, a junior, and Jennifer Jackson, a sophomore, have been made vice president and secretary, respectively.

There are two other offices elected by the entire student body. The new chairman of social committee, Kathie LeMessurier, will be busy with the other members of her committee, planning parties for the students and their dates.

LES DONNERSIES, our charity organization, is this year headed by Nora Koskinen. Their work is a

ready beginning with devising new ways to raise money to support our two foreign orphans.

After many years a person becomes an essential part of the school, so it is with Mrs. L. G. Boucher. She has not only been our English teacher, but also past advisor to the year book staff, school newspaper advisor, sophomore class advisor and advisor to this reporter.

For personal reasons it has become necessary for Mrs. Boucher to take a leave of absence. She will be missed not only as a teacher but as a friend to both students and faculty.

PORTUNATELY we have acquired the services of Mrs. Lloyd Young of Detroit. She is a graduate of Alma College and was formerly affiliated with Bloomfield Hills High School. We are certain that Mrs. Young will soon be a valuable member of the school.
