

Six Foreign Exchange Pupils Attend Bloomfield Hills High

By KAREN TRIMMER
Special Writer

Bloomfield Hills High School has six foreign exchange students attending school. All except one will only be in America for one year.

Pam Istead, representing the Republic of South Africa, is spending her year as a senior at BHHS, with the Brauns.

Her American "sister," Linda, is also a senior. From Japan, Yuki Obado, will spend several years in America with her "family," the Bergstrums.

THREE STUDENTS came from Norway to BHHS from Germany. Hans Braun, whose cousin Linda Zummach is a junior at BHHS, is studying for classes at home as well as here. Bob Schweitzer, also from Germany, is a senior; while Mike Hourand will only be in America until the end of October.

From Norway comes Fred Loursen. His two American "sisters," Cheryl and Vicki, and "brother," Geoff, all attend BHHS.

On Sept. 28, an all-school assembly was held in the gymnasium in which most of the BHHS clubs were introduced to the students.

Speakers included Sharon Goodman, Girls' Athletic Association; Dad DeNador, Dramatics; Greg Pike, Shield; Bob Fink, Debating; Vern Noga, Pep Club; Mike Kraatz, "B" Club.

Lynne Herring, Linda Randolph, Chris Settle, Chuck Duryea, Chuck Gilpin, Dave Horn, Rich Schenn, Loby Henesmenway, Tom Hirsing, John Wesscha, Debbie Theodoroff and Jane Hupfer.

Others are Chuck Grissom, Sara Ingraham, Chris Moorhead, Jean Baronowski, Sue Carlend, Becky Lambright, Cathy Jensen, Linda Awrey, Fran Seiler, Andy Meyera, Pat Case, Pam Martin, Claire Hill, Dennis Reinhold and Bob Humbert.

Homeroom presidents chosen by their classmates are: Nancy Ruffner, Jim Lahti, Bill Phelps, Bill Hinkamp, Pete Risdon, Jim Adair, Jackie Kirkley, Dick Merriell, Mark Ross, Dave Posther, Sue Chamberlain, John Borthwick and Jeff Hoagge.

Paul Tobias, Connie Hanna, Sharon Marshall, Jeff Green, Kathy Loughran, Roger Bird, Steve McClain, Judy Warnock, J. C. Collins, Bob Bier, Mike Hermoyan, Janet Mulholland, Sally Hutchins, Harb Smuts, Prady Carmon and Holly McCain.

MR. FRANK Alcalá, counselor and director of student activities, took the student council to Ann Arbor this week for a workshop in student activities.

The National Jr. Honor Society catapulted into activities by electing officers and holding several after-school meetings.

Officers are President Mike Johnie; Vice President, Mike Hilkene; Secretary, Sally Klarr; Treasurer, Sue Doyens; Historian, Mike Hermoyan. Mrs. Agnes Griffith is the faculty sponsor.

Others were Ed Kussey, United Nations; Sue Wiant; Spanish; Wes Schulz, French; Jeff Buchanan, Latin; Gary Fischer, Executive Club; Mr. Donald Dennis, art instructor; Hillcrest; and Karen Trimmer, Foreign Exchange Club.

JON HIPPS, Student Council president, also talked to the student body and introduced class and student council officers.

Girls intramural sports are now getting under way. The fall activities include field hockey, soccer and archery, as well as Powder Puff football, which was first instituted at BHHS last year.

In this sport, the girls are coached by varsity football players in tactics, rules and plays. The end result is an intramural tournament involving a game between the sophomores and juniors, with the winners challenging the seniors. "The Golden Shoe" is the award for the victorious class.

The annual PTO Open House will be held on the night of Oct. 12. At this time, the parents will go through the schedules of their children, meeting the members of the faculty, and seeing what their children will be doing in the coming year. After their "school day" the parents will hold a meeting with refreshments being served.

SENIORS AND sophomores took the Iowa Tests for Educational Development during the week of Sept. 28-Oct. 2. Juniors at this time

were also given various tests to determine aptitude and achievement. These tests are administered annually to determine the scholastic improvement that the students have had during the past year.

Bloomfield Junior Holds Pep Rally Before 1st Game

By HARRIET FOX
Special Writer

Our cheerleaders had been practicing and preparing for the pep assembly on Oct. 6 and the Lancer's first football game on Oct. 7.

Part of the credit for their good performances is due to their sponsors, Miss Root and Miss Hoagron. The refreshment committee of the Student Council was kept busy selling apples, potato chips and Cokes.

THE FIRST meetings of the Girls' Athletic Association were held on Sept. 29, 30 and Oct. 1. The first sport of the year is field hockey, with the seventh graders participating on Tuesdays, the eighth grade on Wednesdays and ninth graders on Thursdays.

The Student Council is trying something new this year in noon-time entertainment. The idea is to play records that the students have brought to school during the lunch hour. It has been working successfully for two weeks.

IF A MAN ... could see his wife as a widow, he would never question the need for life insurance. May we talk about Northwestern Mutual?

Mother-Daughter Conference

Bloomfield Country Day School for Girls' Mother-Daughter Tea last Tuesday provided an opportunity for classmates and their mothers to exchange news and views for the coming school season. Gathering informally

at the private school for girls are (from left) Wendy and Mrs. Nancy J. Mitchell, Patti and Mrs. Max F. Richter and Mrs. Jesse P. Judd and Susie.

Council Members Set At Barnum Junior High

By AMY KELL
Special Writer

For the students at Barnum school started Sept. 10, but for the teachers and custodians, it started early last summer. Teachers traveled from Europe to California, took summer school courses and taught teachers to teach.

Science grant to study at Skagit College, Seattle, Washington. Miss Jane Ward spent her summer vacation teaching a graduate course as a member of the staff of Michigan State University.

Student government went into action immediately this year. The following student council representatives were elected:

Mr. Blum, mathematics and science teacher, received a National

THE STUDENT council representatives are Dana Newhouse

Pat Reynolds admits she was wrong!
(She was sure electric dryers were more expensive. Then we showed her these money-saving facts.)

- 1 Gas dryers cost a couple of pennies less per load to operate we'd be the first to admit it. But with electric dryers you still come out ahead. Read on.
 - 2 Electric dryers cost less to buy. Model for model, prices run about \$20 to \$40 lower than gas dryers.
 - 3 And now, for a limited time, this lower price includes installation and wiring, if needed. For details, see your dealer.
 - 4 Electric dryers cost nothing for electrical repairs or labor. According to manufacturers' service policy premiums, the average dryer requires about \$200 worth of repairs over a 10-year period. But, of course, if your dryer is electric, Edison comes out, repairs it, and leaves without leaving you a bill! (It's the only no-charge dryer repair service offered by a utility company in this area.)
- Add up ALL the costs and you'll see what Pat Reynolds saw!
—electric dryers cost less to own.
- EDISON**

PICK THE CAR YOU WANT TO OWN COME TO US TO SWING THE LOAN

Cars to the left of you. Cars to the right of you. Long cars. Short cars. Red cars. Blue cars. Whatever car you want . . . just pick it out and then tell your dealer you want to finance your car with Detroit Bank & Trust. Auto Loans are our specialty. We put them through fast, payments are conveniently arranged, and you will like our low bank rates, too. So pick the car you want to own, come to us to swing the loan. A phone call from your dealer does it all.
