## BEVERLY HILLS

# Wedding Gown, Veil Made by Bride's Mom

By ELLI BLAUMAN  
MI 7-1465

When Beverly Ann Barich married Thomas Moonen at the Redeemer Lutheran Church on Saturday, Oct. 3, she wore a beautiful gown and veil made by her mother, who also fashioned the headpieces for the bridesmaids and maid of honor.

Beverly and Tom, who met at Groves High School and graduated from Michigan State University together last June, invited 250 guests to the reception which followed the afternoon wedding.

Her parents, Mr. and Mrs. John Barich of Amherst Drive, held an open house the following day so that the guests could see all of the wedding gifts the young couple received.

Former area residents Mr. and Mrs. David MacDougall (Jeanne Phillips) participated in the wedding as usher and bridesmaid and sorority sister Mary Margaret Swenson of Toronto served as maid of honor. Other bridesmaids were Carolyn Moonen and Karen Young of Bloomfield Hills.

Tom chose fraternity brother

Lee Kitsen of Grand Rapids as best man, and Don Defner and John Barich, Jr., as ushers. His parents are the Emil Moonens of Birmingham.

The couple will make their home in Dearborn.

MR. AND MRS. CLAIR DuVall of Lauderdale Drive returned last Saturday evening from a vacation in the northeastern United States, having spent nearly three weeks sightseeing and visiting relatives.

They visited Washington, D.C., Williamsburg, New York City and the Fair, and stopped in New Jersey and Connecticut to see relatives.

The DuValls also repeated the color tour of New England that they enjoyed two years ago which took them into the mountains of Vermont to see the changing autumn leaves.

MEMBERS of the West Beverly Hills Woman's Association are preparing for a large turnout at their annual tea next Wednesday afternoon which this year will be held at the Waltham Drive residence of Mrs. William Gilmore.

Mrs. Charles Grenier of Sylvan Lane, who is president of the Hostess Club, will pour. She will be assisted by members of the Sewing Club.

Mrs. Robert Lakatos of Hillcrest Drive, Mrs. Alfred Jensen of 14 Mile Road, and Mrs. Anne Melone of Sylvan Lane are in charge of the tea table decorations and flower arrangements.

Mrs. Gerald Tavis of Beverly Road is chairman of the affair.

MR. AND MRS. GEORGE Thomas and daughter Virginia of West Rutland Road have as a house guest for several months Mrs. Thomas' mother, Mrs. Louisa Drossaers, who lives in Holland.

The Thomases drove to New York City to meet her ship when it docked and before returning home stopped to see the Fair and spent some time in Washington, D.C.

The family is waiting to hear if they will be transferred to Caracas, Venezuela, in the near future and if the transfer "goes" they will take it right in stride, having previously spent two years in Argentina and one year in England.

All this traveling gives Virginia, who is a fifth grade student at Greenfield School, an opportunity to learn geography and another language first hand.

AMONG THE Beverly residents who were part of the cheering thousands at the Michigan-Michigan State game last Saturday were the Ted Shurtleiffs and the O. H. Tiptons, accompanied by Mr. and Mrs. Norman Kenyon of Royal Oak who will soon be moving to Beverly Hills.

Taking the train up and back with the Adcraft Club, the couple returned to the Kenyon residence for dinner.

Mr. and Mrs. William Hunter of Devonshire Road, accompanied by Mrs. Ralph Hunter, Bill's mother, took a four-day jaunt into Canada last week. Their trip took them to Ottawa, Quebec, and Toronto where they visited relatives and did some sightseeing, returning late Thursday evening.

AMONG THOSE helping Jim and Tom Blauman of Buckingham Road celebrated their annual combined birthday party last Saturday were Jeff Boucher, Scott Rice, Steve Cass, Blair Shurtleff, Gary Leppanen, Steve and Don McConkie, their brother Dick, and maternal grandparents Mr. and Mrs. Kurt Vohsneyen.

The Beverly Hills Garden Club held their October meeting last Thursday afternoon at the Beverly Road home of Mrs. Darrell Mould.

After a short business meeting, the members learned how to construct a terrarium from their speaker, Jo Thurston, and spent the remainder of the day working on their own. Cohostesses were Mrs. Joseph Braden and Mrs. G. R. Heinzman.
