GRACE LAWN SPRAY IS BEST

38 yards behind a wall of blockers to make it 28-0.

The momentary lapse by the Maples allowed Southfield to close the gap to 28-12. Thompson went 60 yards on the screen pass play and then a reservation was made for the next time Southfield had the ball.

SOUTHFIELD GOT another break on a short punt in the closing minutes, but failed to win and Seaholm turned it into a fifth touchdown for themselves. Reserve quarterback Jamie Miller connected with Jim Christensen on a scoring toss with only 35 seconds left in the game.

SPORT FANS!

I BET YOU DIDN'T KNOW

By Dick Turner
One of football's greatest legends came from George Gipp, a great player for Notre Dame in 1920... He became ill and was on his death bed... Coach Knute Rockne came to visit, and Gipp gave Rockne the basis for the most famous pep talk in football history... Gipp said, "I've got to go now, Rock. It's all right. But sometime, Rock, when the team's up against it, when things are wrong and the boys are beating the odds, tell them to go in there with all they've got—tell 'em to win one for the Gipper!" Rockne waited till halftime of the Notre Dame-Army game of 1928... He used Gipp's last words as his pep talk. Needless to say, Notre Dame won that day.

Here's one to bring back memories for you football fans... Here is the All-America backfield of exactly 25 years ago this season... 1939... Some say this was the greatest All-America backfield of all time... There was Tom Harmon of Michigan... Nile Kinnick of Iowa... Jarvin John Kimbrough of Texas A & M... and Paul Christian of Mississippi... Those were the stars just 25 years ago.

Of all the football brood camps, none is more appropriately named than the Sugar Bowl... The Sugar Bowl stadium is actually located on the site of the old plantation where sugar was first granulated in this country!
