## NEW Fingertip Controlled HUMIDIFIER operates on less than 1/2c per day!

We all know the benefits of adequate humidification; how it improves health, protects furniture, and saves fuel. The unique operating principle of the Dramatic humidifier gives you all these advantages with the highest moisture output at the lowest operating cost... **LESS THAN 1/2 PER DAY!** And you can dial the desired humidity by means of a Honeywell humidistat that can be placed anywhere in the home for convenient, controlled humidification. The Dramatic utilizes a polyurethane foam evaporating pad on a motor driven spiked drum which rotates in a pan of water. Calcium deposits are absorbed by the pad—eliminating mineral dust in the air. When the pad becomes filled, it is easily replaced. The Dramatic will supply adequate humidification for areas up to 3,000 square feet.

[A message of importance for men and women who are concerned about their health.]

## If you're over 40...

your chances of suffering from one or more chronic ailments are far greater. Now is the time to do something about it!

After 40, you're more susceptible to the illnesses and chronic ailments that so often drain the joy out of life. For example, arthritis and kidney-bladder ailments strike far more often after 40. To maintain good health, many doctors suggest drinking 6-8 glasses of water daily to aid proper waste elimination and prevent dehydration. Because so many people find it hard to drink enough ordinary faucet water, delicious Mountain Valley Water is often recommended.

An aid to relief of arthritis symptoms. There's no sure cure for arthritis. If you suspect arthritis, see your doctor. One of the measures he'll probably advise is to drink more water. Physicians often suggest Mountain Valley Water because it is "light," non-filling, non-laxative, mildly alkaline. Its kidney-flushing effect gently stimulates kidney action, and helps speed elimination of potentially harmful wastes (there's evidence such wastes can collect in and around the joints, causing or aggravating some arthritic symptoms). Mountain Valley Water, which helps expel body wastes faster, has aided in relief of symptoms in a number of observed arthritic cases.

Relief of kidney-bladder symptoms. Mountain Valley Water's mild alkaline action gently soothes bladder irritation, and helps neutralize excess uric acids (thus reducing that "burning" sensation). Try wonderful-tasting Mountain Valley Water. Regular daily use can make a positive contribution to continued good health. Costs only pennies a glass.
