Miss Small Is Married At St. Hugo

St. Hugo of the Hills was the scene of the marriage Oct. 10 of Barbara Paine Small, daughter of Mr. and Mrs. Harold Small of Franklin, and Clark Thomas Thompson, of Ann Arbor, son of Mr. and Mrs. Clark Thompson of Cadillac.

The bride wore a street-length gown of white brocade, fashioned along Empire lines, and carried a cascade bouquet of white cymbidium orchids.

Her matron of honor, Mrs. Herbert Duncan of Berkeley, wore a gown combining an avocado green velvet bodice with an egg shell crepe skirt. Her flowers were green cymbidium orchids which matched her veiled, open-crown pillbox.

RICHARD Thompson of Grand Rapids was his brother's best man, and ushers included two other brothers, Henry S. Thompson of Mt. Pleasant and Joseph John Thompson of Cadillac, and Lt. (jg) David B. Small, NAS, Lemore, Calif., brother of the bride.

Following a reception and luncheon at Botunda Inn, the couple left on a wedding trip to Northern Michigan. They will make their home in Ann Arbor.

FRANKLIN VILLAGE
Mrs. Bushman Describes Swiss People, Customs

By MARION CASKEY MA 6-5660

Back home, getting mentally adjusted to living on South Greenbrier again after 20 months in Lausanne, Switzerland, are the James Bushmans.

Business prevented the change of residences, giving them a continental life Mrs. Bushman confesses she was rather reluctant to leave.

"The standard of living is actually much like ours, but my own pace was more relaxed. I suppose people are a little less frantic over there.

"Sometimes this got a little out of hand, such as when all the businesses close at noon, or one suddenly remembers that the supermarkets are closed every Monday and Thursday afternoons."

THE BUSHMANS rented a furnished apartment in Lausanne, in French-speaking Switzerland on Lake Geneva. Since her husband was traveling most of the time, Mrs. Bushman occupied herself trying to learn French, but feels she never attained a fluency in it.

She just "got by." She accompanied her husband in their triumph on trips to England, France and Italy. Each spot was her favorite just after she visited it. She loved England because of her interest in history, France for its beauty, but Italy was probably her favorite.

"It's so sunny, and friendly, and the Italians are so Italian," she commented.

SPAIN CAPTIVATED the Seymour Rhodes of Franklin Park Drive for 10 days. They found Madrid busy, Palma a glamorous resort full of German tourists, and the bright lights in Toledo not nearly as good as those in Mexico.

They did lots of sight-seeing, enjoying old cathedrals, night clubs with Flamenco dancers and everywhere the gorgeous color. Particularly fascinating was a fashion show by Mitzu.

Patrons in night clubs were magnificently dressed and dancing the frog or the twist.

MEANWHILE, lots of Franklinites took advantage of the gorgeous weather and school holiday last week end for trips within our continental boundaries.

The Henry Goodens of Briarcliff took their children to the New York World's Fair. The Robert Stone family of Franklin Park Drive went to Williamsburg for four days.

The Dale Carses visited in Cincinnati. Grant and Evelyn Sivier took daughter Pam and her friend, Judy Rosello, college shopping through Ohio and Kentucky.

Zeke Ziegler took the opportunity to visit Padua and the Preston Dozier's showed daughter Nancy the Western Michigan campus at Kalamazoo.

PARENTS WEEK END at Amherst took the Chet Hixes east to visit Larry and an excuse to drive through all that gorgeous color. The Robert Owens of Franklin Park Drive visited their son Bob at Missouri Military academy at Mexico, Mo., for four days.

Founders' week end at Howe Military Academy will take Barbara and Jerry Haynes down to visit Dane. They are including Jerry's little sister, Candy, in the trip for Dane's date for the big dance.

THE PROFUSSION of pheasants in Sevier, Dakota have honored Stan Hunter. He is off on his annual sojourn with his hunting buddies.

Mrs. Howard Last and Mrs. Forrest Palmer have just returned from an antiquing quest in Bucks County, Pa.
