QUARTON

A reception honoring Grant Barber, former principal at Quarton, will be held Sunday, Oct. 25, from 3 to 5 p.m. in Quarton School.

All present and former Quarton school families are invited to attend the reception, according to PTA president Stuart Knowlton. Heading the committee in charge of the affair are Mrs. Hermine Wilson and Mrs. Jeanette McCullough. Others on the committee are Mrs. Benjamin Howes, Mrs. Richard Pearce, Mrs. Arthur Burleigh and Mrs. Bruce Craig.

After 16 years as principal of Quarton, Mr. Barber went to Pierce School this fall to take over as principal there.

A graduate of Bowling Green University, Mr. Barber received his master's degree from the University of Chicago. He started his teaching career in elementary school at Beaver Dam, O, coming to Quarton in 1948.

Mr. Barber, his wife and their three daughters live in Birmingham. Topping his list of hobbies are bridge and do-it-yourself projects, and he admits he likes to get away to Traverse Bay for some boating occasionally.

BARNUM

Tonight at 8 p.m. Barnum PTA is sponsoring a special meeting for parents of eighth grade students. The eighth grade testing program will be discussed and it will be explained how the test results may be used in guiding the children in the future.

Parents also are to be given an opportunity to meet their child's counselor.

GROVES

A meeting for parents of seniors at Groves is being held tonight at 8 p.m. in the Little Theatre at the school.

Events, schedules and responsibilities pertaining to 12th grade students are to be discussed. Members of the faculty, advisors, home room teachers and counselors will be present and will take part in the discussion.

"College Requirements for Admission" will be the topic of discussion at the meeting for parents of juniors at Groves Tuesday, Oct. 27, at 8 p.m. in the Little Theatre. College admission officers will be at the meeting to give out first-hand information.

It should be noted that the above dates are the reverse of dates originally announced. The change was made because the admission officers were not available for the night of Oct. 22, as previously planned.

The 10th grade meeting at Groves was held on Oct. 20 and the topic was "Trouble Symptoms and Uses of Counseling."

BALDWIN

"The Birmingham Plan—It's Potentialities" will be his subject when Dr. John Blackhall Smith, superintendent of Birmingham public schools, speaks at the Baldwin School PTA meeting Tuesday, Oct. 27, at 8 p.m.

BIRNEY

Birney Jr. High School, Southfield, will hold an open house Tuesday, Oct. 27, at 8 p.m.

Parents have been invited to first meet in the gym where Karl Rutenmiller, principal, will address them and give instructions. Junior high parents are to follow their child's schedule for a day, spending 10 minutes in each class. Teachers of elementary pupils at Birney will also be in their rooms to greet parents.

Baked goods will be on sale in the halls the night of the open house. Chairman of the bake sale, sponsored by the PTA, is Mrs. Leo Ortega.

Altrusa Hosts OU Registrar

The Altrusa Club of Greater Birmingham will offer its members and guests an international program at its dinner meeting Monday evening in the Community House.

Guest speakers will be Dr. Herbert Stoutenberg, dean of student affairs and registrar of Oakland University, and Senorita Amparo Castaneda of Cali, Colombia, currently enrolled as an art major in Oakland University.

This meeting of the Altrusa Club is in keeping with the club's interest in acquainting business and professional women of the community with local and international affairs.
