'Operation Coffee Cup' Boosts GOP Candidates

By ELLI BLAUMAN
MI 7-1465

Seems that the coming election is the big topic this week and among our many politically savvy residents are three who recently opened their homes to friends and neighbors as hosts of the GOP "Operation Coffee Cup" meetings.

Mr. and Mrs. Charles Lyle of Hillcrest Blvd. had upwards of 45 in last Sunday evening to meet Cong. William S. Broomfield, incumbent circuit court Judge Philip Pratt, and William Hampton, the Republican candidate for the 62nd legislative district.

Other guests included Mrs. Lyle's nieces, the C. Paulins of Tucson, Ariz., who are here for a month's visit.

Mrs. W. T. Burwell of Carleider Drive was hostess of a similar affair on Tuesday, at which Mr. Hampton and Robert L. Templin, the candidate for prosecuting attorney in Oakland County were present.

Mr. and Mrs. Lee Anderson of Lauderdale Drive also had 30 guests in last night to meet Mr. Hampton and David E. Calhoun, the incumbent county clerk-judge.

AS EVERYONE knows, this is also the season for football and participating in the Birmingham-Bloomfield Little League program this year are Beverly Hills' Bruce Donaldson, Doug Carey, Gary Polewac, Dean Nieman, Bill Mitzeloff and Jerry Bodino.

However, everyone must be aware that football is no longer played exclusively by the boys. There is also found it was found in Birmingham, participating in the football team at Groves High School and though the season is a short one, the girls really enjoy it.

Recent participants included Barbara Weiss, Betsy Arthur, Cindy Tull, Nancy Yardley, Carol Clark, Gail Anderson, Lucille Rhine, Sandy Wellingham, Chris Ruby, Janice Gold, Sue Jones, Sherry Craft, Julie Johnson, Trish Bowden and Judy Gladfelder.

In their final game last week, the juniors defied tradition and defeated the seniors.

THE BIRTH NEWS on Sheridan Drive is that a daughter was born to Ralph and Lois Carey on Oct. 13. Little Jane Wyman Carey who arrived weighing 7 pounds, 15 ounces now tips the scales at 10 pounds and is the object of much attention from big brothers Stephen, 9, and Doug, 10.

Because she arrived a week early, the shower was postponed a bit so that guest of honor Lois could attend, along with the 14 others who met at the Madeline Road home of Mrs. Richard Perry last week. Assisting Mrs. Perry as cohostess was Mrs. Glenn Sawyer of Elizabeth Road.

Lois' mother, Mrs. Elliot Wyman of Wolfboro, N. H., was with the Careys for two weeks and made the trip especially to meet her first granddaughter.

FRANKLIN STOVES and the history of heating were discussed at last Wednesday's meeting of

the John W. Hunter Chapter of Quarters by Mrs. John H. Fear of Grosse Pointe.

Hostess Mrs. B. J. Dempsey was assisted at luncheon by Mrs. Otto Melke and Mrs. Dalton Lamb.

Mr. and Mrs. O. H. Tipton and sons Chuck and Dave of Arlington Drive visited the Fair just before it closed on the 19th, saw friends in New York City, and went on to Niagara Falls before heading back.

MEMBERS OF THE Valley Woods Garden Club will meet on Nov. 10 at the home of Mrs. Donald Van Every, 2500 Smallwood Court from 10 a.m. to 3 p.m. They will learn how to make fruit and vegetable arrangements for the holidays and begin work on their arrangements as well.

The instructor will be Mrs. Wilson McTellan who is Flower Show chairman of the Michigan Division of W.N.F.G.A.

Mr. and Mrs. John R. Hoebner of Sheridan Drive recently had as house guests his brother and sister-in-law, the Daniel Hebrons of Othello, Wash., who were en route to Germany where they will be stationed for three years.

MANY OF THE 130 member families of the Beverly Artisan Improvement Association gathered at the Community Room of the Metropolitan Federal Savings building last Thursday evening for the association's 10th annual meeting.

Arthur Koster of West Rutland Road presided and members were brought up to date on village road programs and other improvements. Speakers E. F. Dolan of Carleider Drive and Claude Sheppard of Madeline Road told of the proposed controversial widening of Southfield Road and the traffic problems of W. 13 Mile Road.

The new officers elected for the coming year are John Barth, president; Marty Walker, vice president; Benjice Bulick, secretary; and Danwood Allen, treasurer.

In keeping with the fall season cider and donuts were served.
