

# Christmas Workshop Scheduled By Walnut Lake Women's Club

By ELIZABETH VAN LOAN  
MI 7-2324

With Election Day here, can Christmas be far behind? "No," said the Walnut Lake Women's Club, and scheduled a "Christmas Workshop" for its meeting Tuesday night.

Two representatives from Fashion Craft House in Detroit will demonstrate and have for sale Christmas decoration kits. Kits for tables, mantels, windows and doors will be available. Club members will work on individual projects which appeal to them most.

Coffee and doughnuts will be on hand throughout the evening with Mrs. Herbert Young of Putnam Drive in charge assisted by Mrs. William Brandt and Mrs. William Langdon.

ANYONE WHO'd like to get a head start on the Yuletide season is welcome to attend, provided she will first call Mrs. Young for a reservation.

Meeting place is the West Bloomfield Township Library on Orchard Lake Road and the time is 8 p.m.

The Farmington Playhouse on Twelve Mile Road will be the setting Saturday night for the club's costume "Hard Time Millionaire's Party."

Guests are welcome and tickets may be obtained from members or at the door. The party is for the benefit of the Plymouth State Home and Training School in Northville.

PINE LAKE Estates Association held its second annual Halloween party for the children of the subdivision last Saturday.

There was a parade, prizes for the best costumes, and cotton candy, doughnuts and cider for all.

MR. AND MRS. Marvin Mallis and Marilyn and Mark of Appleton Road took advantage of the recent school holiday to spend a long week end at Niagara Falls, Ont.

Mrs. Esther Mallis of Detroit accompanied her son and his family but stayed in Buffalo, her old hometown, to visit friends while the younger Mallises went sight-seeing.

They view the falls from all three towers, flew over them in a helicopter and rode the cable car over the whirlpool.

It was all particularly interesting to Marilyn, a fifth-grader at Walnut Lake School, who is just now studying the French exploration period in North America.

MR. AND MRS. MALLIS were chaperones, with the Elmer Weeks of Lakeside Drive, at the hayride outing of the Walnut Lake Estates Sub. 2 Teens Club Saturday night.

The hayride was held at Up-land Hills Farm in Oxford and was followed by a spaghetti dinner at the farmhouse.

Membership in the Teens Club, formed last June, is comprised of boys and girls, 12 to 15 years old, living in the subdivision.

President is Rod Nelson; vice president, Timothy Latham; secretary, Liz Wheeler; treasurer,

Linda Doig; and board representative, Rols Weeks. Rols represents the teenagers at meetings of the Walnut Lake Estates (Sub. 2) Association which sponsors the group.

CHRISTOPHER LARSEN came home last week, all 5 pounds, 8 ounces of him. He was born prematurely on Aug. 8 and had to stay in Beaumont Hospital until he attained sufficient weight to cope with the outside world.

Christopher is the third child of Mr. and Mrs. Robert Larsen of Woodwind Drive and has two big brothers, Mark and David, who hadn't had a glimpse of their new brother until his arrival home.

Mark and David who share a mutual birthday — Nov. 4 when Mark will be seven years old, and David, 6—were hoping Christopher would also be born on that date thus making Nov. 4 a triple holiday in the Larsen household.

BACK FROM St. Petersburg, Fla., is Mrs. Andrew Yevich of Kenmore Road who spent three weeks with her parents, Mr and Mrs. Glen Shaner.

Edward Mielock of Quanton Road has been accredited as a registered civil engineer by the State of Michigan and will receive his registration certificate Saturday evening at ceremonies being held at the Engineering Society of Detroit.

Walter F. Carey of Middlebelt Road was one of the 219 Michigan citizens appointed by Governor Romney in May to serve on the Special Commission on Traffic Safety.

PAUL COLBROOKE is bringing back 1,000 slides of his summer-long tour of Europe.

From a kaleidoscope of impressions, two standouts were the great beauty of the Pyrenees Mts. and the universal veneration throughout Ireland of President Kennedy.

Paul who lives with his parents on Bryn Mawr Road is an English teacher at Barnum Junior High. He thoroughly enjoyed his trip but says his father was mighty glad to get back home to Mom's good cooking.

NEWCOMERS TO Pine Lake Estates and to Michigan are the Leland Connors of Normanwood

Drive who arrived here from a two-year business assignment in Hong Kong.

Mr. and Mrs. Connors are natives of Montana but lived in California for several years before moving to the Orient.

They have three children, Gregory, 14, who attends Bloomfield Hills High; Deborah, 12, in the third grade at Pine Lake School.

The Connors toured the Upper Peninsula last summer. Mrs. Connors considers Michigan a beautiful state and after crowded Hong Kong, enjoys the wide open spaces. So does Deborah, who said to her mother while out shopping the other day:

"Isn't it fun to shop without being jostled?"

field Hills, talked to children at the camp after Sunday brunch with directors and friends of Camp Oakland, Inc. Brunch at the Oxford camp for underprivileged children was followed by the non-profit corporation's annual meeting.

## College Alums Meet For Trip

At its second meeting of the season Wednesday, the Birmingham Wellesley Club will travel by magic carpet to Greece, with the help of Mrs. John M. Campbell and her slides.

Mr. and Mrs. Campbell of 1331 Glenngary Rd., Birmingham, made an extended trip to Greece and Asia Minor last year.

The luncheon meeting will be held at 12:30 at the home of the club's president, Mrs. Eric Gouliand, 4108 Auburn Drive, Royal Oak. She will be assisted by Mrs. Cecil Sanders, 5061 Priory Lane, Birmingham; Mrs. Robert Sakonits, 1704 Woodstone Lane, Bloomfield Hills, and Mrs. Charles Mendelson of Huntington Woods.
