telephone lines

By R. L. KILPATRICK, Manager

SOME OF YOU HAVE ASKED why we don't somehow prevent annoying telephone sales calls from reaching our customers' homes. One reason is that the law requires us to provide service for any lawful purpose. And selling by phone is entirely legal. Another reason is that many sales-by-phone organizations really do offer outstanding bargains. We wouldn't want our customers to miss out on those.

We do try in many ways to encourage better telephone manners among business people. Gradual improvement can be expected as a result.

Meantime the law of self-defense certainly applies. When a telephone salesperson is rude or overly insistent on the phone... feel free to hang up.

THIS CHRISTMAS, GIVE YOUR PHONE AN EXTENSION—and give yourself the added convenience of two phones at a fraction more than the cost of the first one. What can say more at Christmas, and all year long! To order your Christmas extension phone, call our Business Office or ask your Telephone Man.

'Cavalier' Mascot Appears At East Hills Grid Contest

By LINDA HONG
 Special Writer

The East Hills Cavaliers played their first game on Oct. 21 at Pierce. The Cavaliers lost the game 15-0, after 1 1/2 hours of hard play in a continuous drizzle.

The first appearance this year of the Cavalier's mascot, the Cavalier was made at the game. Dressed in a red and white costume, he gallantly swept his hat to the ground in a deep bow during the "Hello" cheer.

This is the first year of the Cavalier and it is hoped that his regular appearance at all the games will start a tradition with the school. His identity will be disclosed after the last football game of the season.

EAST HILLS played its neighboring rival, Bloomfield Hills Junior High, on Nov. 1 at East Hills. It was the Cavalier's and the Lancers' last game after a season of five games each. A week later was held in the East Hills cafeteria after for all students from both schools.

The possibility of having a pep club started at East Hills is being discussed. Students have inquired about beginning a club to create more school spirit. This activity would choose its own president to lead the members in promoting publicity for coming games. They would learn the cheers and plan projects to raise money to support East Hills' varsity teams.

The French Club initiated all new members into the club on Oct. 22. During school hours, the eighth-graders were required to wear signs saying that they must be at all ninth-graders. After school eighth-graders were initiated in a formal ceremony after which refreshments were served.

SPANISH CLUB met on Oct. 22.

Nature Explained In Special Course For Oakland Pupils

Youngsters in Oakland County school will get tips on how to discover nature's wonders when the 1964-65 school lecture series provided by naturalists of the Huron-Clinton Metropolitan Authority begins its annual five-month program this week.

More than 78,000 youngsters in a five-county area, including Oakland, will hear illustrated talks on topics of natural science.

Most lectures are designed for boys and girls in grades 3 through 12, but 20-minute programs are also available for youngsters in kindergarten, first and second grades.
