The conference will focus on the mathematically inept student. The featured speaker is Dr. Max A. Sobel. Dr. Sobel has written mathematics text books and has spent much of his career designing mathematics programs for the underachiever, and the non-college bound student.

AREA MATH TEACHERS will meet at 1:30 p.m. in the Science Building of Oakland University for six hours of study and a dinner. In two sessions for elementary school teachers, Miss Heckman will describe ways of teaching multiplication and division to children with average or below average mathematical ability.

Bloomfield Hills High Starts Planning for Special Events

By **KAREN TRIMMER**
Special Writer

Several departments at Bloomfield Hills High School now are planning various events. Around Thanksgiving or Christmas, all American Government classes will be excused to attend the two movies, "Advise and Consent" and another one still unknown.

Meanwhile, in the science department, Miss Tobi Hall's biology classes are studying heredity by observing a special breed of fish, and Miss Carolina Tritin's physical science classes are planning a field trip to the Cranbrook Observatory and a visit to a paper plant in Detroit.

BHHS cheerleaders recently went to Midland for a cheerleading clinic, where they competed with about 500 other schools and exchanged ideas for pep assemblies and new cheering routines.

THE WINNERS OF the cheering competition were awarded the opportunity to cheer for the first Northwest football game. Another clinic to be held at Holly is now in the planning.

Both the junior and varsity cheerleaders will also send candy to raise money for their fund, which helps pay for new uniforms.

Ribbon sales to help raise money for American Field Service were begun on Oct. 12 at the BHHS Open House. Ribbons will also be sold at all other school open houses and meetings until Christmas.

Starting Thanksgiving week and continuing every Saturday until Christmas, ribbons will be sold in Birmingham by members of the Foreign Relations Club.

With these sales, club members hope to make a profit of at least \$500, which will help insure the visit of more foreign exchange students. More fund-making plans are now in progress and will be held later in the year.

Set Madrigal Singers at B'field Junior

By **HARRIETT FOX**
Special Writer

Our Choir director, Mr. Poland, has been conducting tryouts for the Madrigal singers. The members have been chosen and they are all ninth graders.

The sopranos are Martha Coward, Gail Griffin, Nancy Guyer and Chris Modrak. Altos are Beth Cooke, Julie Fry, Sara Pfister and Harriett Fox. Bob Eckstein, Bruce Grubbs, Dick Simmers and Andy Timmer are the tenors. The basses are Doloh Andrae, Gar E. Stafford, George Farrah and Tom Stafford. They are already rehearsing for a Madrigal Festival to be held on Nov. 18 at Seaholm High School. Try-outs for Tweekstones, a group of eighth and ninth graders, and Barbershoppers, eighth and ninth grade boys, are still in progress.

THE FIRST TEEN Club meeting, for a limited number of eighth and ninth graders, was held Oct. 23. The first meeting was a sport night. Basketball, volleyball, tetherball, tumbling and other games were enjoyed.

A committee of five, including Penny Barsky, Cathy Black, Doloh Andrae, Rich Gibout and Jeff Baldwin, were elected to organize the activities of the future meetings.

All ninth grade Civics classes took a trip to the City County Building in Pontiac on Wednesday, Oct. 28. While there, they were able to use the voting machines for their own small election.

These boys, along with the BHHS choir, have begun their preparations for the annual Christmas concert.

BHHS debaters are now preparing themselves for the first Wayne-Oakland League debate tournament scheduled for Nov. 12 at the high school. Seven of the eight league high schools will participate in debating this season.

Previously this year, the debaters with their coach, Mr. Clarence Slocum, attended the annual fall debate clinic sponsored and held on the Wayne State University campus. After hearing the WSU's varsity debaters, approximately 20 high schools participated in full rounds of debating.

THE DEBATERS also heard the debate between the Wayne State varsity team and the Oxford (England) University debaters. On Oct. 21, a practice debate with the teams from Pershing High School was held. This year's resolution is "Resolved, That nuclear weapons should be under the control of an international organization."

Returning debaters are Bob Koch and Bob Fink, while newcomers include Alan R. Kuther, Bill Nagengast, Steve Berman, Bob Cook and Gary Gwillim.

Organ Still Used At Marian Masses

A recent article submitted to The Eccentric from the "Marianews" stated that guitars are played during Masses at Marian and that guitars have replaced the piano and organ.

The article was in error. Guitars have not replaced the organ, which is still used at Masses. Guitars are played only at specific times, usually at the end. A piano was never used.
