### Unitarians Set 17th Church Rummage Sale

The Birmingham Unitarian Church, Woodward at Low "Pine", will hold its 17th rummage sale in the social hall of the church on Friday, Nov. 6, from 9 a.m. to 4 p.m.

Women of the church Alliance put on this biannual event to further their philanthropic projects at the Pontiac State Hospital, Oakland County Juvenile Home and the Carver School Study Center, as well as provide additional church facilities.

MRS. JOHN Anker and Mrs. Wilford Payne, cochairmen, have announced that there will be a large supply of usable household articles from children's toys to pots and pans, and clothing to fit whole families.

At the same time that the women of the church have been collecting rummage, 65 men have been conducting the biennial canvass, the theme of which is, "Can We Afford Excellence?"—in our lives—in our children—in our community—in our church?

Heading this activity are Robert Dewarth, general chairman, Day Krolik, Jr., teams chairman and Ernest Hodas, canvass director.

### Berkshire Jr. Drama Club Presents Play

By SUE DICKSON

"There was a strange feeling in the air . . . almost like a presence in the room. Could it be that in one moment . . . she'd feel icy fingers clutching her?"

So reads the script of "The Ghost of Rhodes Manor", the forthcoming presentation of Berkshire's drama club, the "Thespians". Opening night is tonight and there will also be a performance on the following evening.

While our school clubs are busy turning out everything from star bowlers to future nurses, the home-rooms are trying their hand at cupcakes, brownies and cookies. These domestic efforts pay off, for the profits from the bake sales go in turn to the Torch Drive.

RICK SEGAL, reporting from the football field, says that Berkshire is well-represented this year. With its two heavyweight teams undefeated, the Berkshire championship will be decided Wednesday after school when these teams meet, as successful, are nevertheless coming on strong.

The lightweight teams, not quite with promises of dry lunch trays and longer breaks between classes, and after weeks of posters in the cafeteria and boosters on sweaters, Berkshire's class officers were finally determined.

Representing seventh and eighth graders, respectively, as heads of Student Council are presidents Jim Borisen and Marc Bergeron, vice presidents Linda Konde and Tom Schaefer, secretaries Ruth Backhart and Mary Ann Lecombe, and treasurers Doug Seed and Melinda Rex.

# If you can afford to buy the low priced three, you can afford to lease a B.O.P.

To put it another way, Pamco will lease you a better car than you can buy for the same amount of money. It all adds up to more car for less money when you lease from Pamco instead of buying. It means you drive a new model every year, or two automatically. And you can choose which-ever make or model you wish. Pamco is not tied to any one make of car like so many other leasing firms.

It will cost you less to lease a new '65 car from Pamco than to buy the same car outright.

The reasons are simple. They involve our buying cars on a fleet basis, which you can't. They involve economies in volume buying of equipment. They involve de-

preciation economies, the details of which depend on price and model, among other things. And so on. Bill Downey will be glad to show you the figures.

Our leasing package is personalized to suit your convenience, your money situation, your driving requirements. You can have any kind of leasing package you want, at a competitive price. However, we're more than competitive in service and convenience, those invaluable little extras that don't carry a price tag.

Why not call Bill Downey for the facts before you commit yourself to buy or lease a new '65. Stop in at our new office in Birmingham. There'll be no obligation.
