## State Hospital Receives Three Year OK

The board of commissioners of the Joint Commission on Accreditation of Hospitals has approved the recommendation of its field representatives that the Pontiac State Hospital be accredited for a period of three years beginning October, 1964.

This is the first time the hospital has achieved approval for the full three years.

Kenneth B. Babcock, M.D., director of the joint commission on accreditation, located in Chicago, advised Donald W. Martin, M.D., medical superintendent of Pontiac State Hospital, that "The Commission wishes to commend you for maintaining standards deserving of the accreditation and for your constant effort to improve the quality of patient care."

Four national medical and hospital organizations comprise the Joint Commission on Accreditation of Hospitals which grants the three-year certificate. They are: The American College of Physicians, the American College of Surgeons, the American Hospital Association, and the American Medical Association.

Dr. Martin had the following comments to make regarding his hospital's three-year accreditation.

"THE JOINT COMMISSION'S standards of patient care are high, and it should be reassuring to our patients and their loved ones to know that Pontiac State Hospital meets the same requirements in this respect as do our fine general hospitals."

"This achievement reflects particular credit upon our hard working personnel, who through the years have had very limited financial and other resources with which to work."

"Full accreditation by the joint commission represents only one phase of our current planning, designed to make readily available to the citizens of our 10-county community psychiatric services of high quality."

### SAFFLOWER MARGARINE FOR WHITE SAUCE

Everyone has at some time in life known a really superb cook. If you know more than one, you are indeed fortunate, and it just might be that you are one of these people yourself. Cooks perform their magic with the simplest of ingredients and plenty of imagination. One kitchen magician I know says she starts off with a white sauce and con-

tinues from there. A good basic white sauce can go on to be cream soup or a base for the casserole. It can be gravy or the difference between plain green beans and Green Beans Parisienne. Let's start with the white sauce itself, remembering that the magic is in the choice of ingredients. You use Shedd's Safflower Margarine as a spread and use it for baking. Make the white sauce with Shedd's Safflower Margarine, too!

Melt 1/4 cup Shedd's Safflower Margarine in saucpan over low heat. Blend in 1/4 cup flour. Gradually add 2 cups milk. Always use low heat or make the sauce in a double boiler to keep the delicate flavor. Use a large spoon for blending the flour and keep stirring as you add the milk. When thickened, keep the sauce hot over boiling water. Add salt and pepper as needed, of course. 2 cups cooked, diced potatoes, 1 tsp. chopped chives and a little more milk makes potato soup. Slice up some sharp cheese in the sauce and pour over cooked macaroni for a casserole. For gravy, simply add the basic sauce to the pan drippings after the roast has been removed. Put a little curry powder in the sauce and serve on left-over lamb curry. The white sauce, plus 1/2 cup chopped onion and a small can of drained mushrooms with cooked green beans. The white sauce must be smooth which means stirring constantly and you must start with the best ingredients, which simply means Shedd's Safflower Margarine.

## BETTER FOR YOU better tasting, too

Now you can get even the fussiest members of your family to eat all those vitamin packed vegetables. Use Shedd's Safflower Margarine to add fine flavor to everything you cook and bake. And Shedd's Safflower Margarine is GUARANTEED lower in saturated fats than any margarine available in grocery stores.
