Lady Manhattan

Lady Manhattan® is the name. Shirt-making is the game! And a very serious "game" it is—making man-tailored shirts that keep a girl looking like a girl! This one, as you can see, has a pleated bosom, spread collar that looks equally smart worn open or closed, long sleeves with double-buttoned barrel cuffs. Plus the Lady Manhattan detailing that makes all the difference—contour shaping and long shirt tails that stay where they belong. The wash-and-no-iron fabric is 65% Dacron® polyester, 35% long staple cotton. And the collar has a 100% Dacron® polyester lining to make it truly wash-and-wear. Altogether, a most desirable shirt! Don't you agree?

FRANKLIN VILLAGE

Parents Share Childhood Pleasures With Youngsters

By MARION CASKEY
MA 6-6860

It's wonderful to be a youngster in West Creek. The mothers and fathers of that village have just completed an organization called Junior Wood Creekers to provide for their children some of the pleasures they so fondly remember from their own childhood.

The first activity was an all-Wood Creek children's Halloween party Saturday night. Costumed youngsters of every age gathered on Westmont Circle for a grand bonfire, a parade and costume-judging.

The kids were divided into age-groups and winners in each category were presented with ribbons.

THEN A MYSTERY ride on an open wagon transported groups of children to a surprise location, Ludwig's barn on the corner of Middlebelt and 13 Mile Road, for a witches dance. Pretty Mrs. D. DeLoach was the unlikely but effective witch. Teenagers were enlisted to provide spooky sound effects and set up apple-bobbing. About 20 children in all attended.

Junior Wood Creekers are promised more activities each month. In the offering is a hay-ride, a Christmas party and an ice-skating party. More facilities are in the drawing stage. As every one takes a hand, the dream will probably materialize.

DOWN WELLINGTON Drive in Franklin, the Cal Browns hosted a Halloween get-together. Whole families from around the neighborhood were invited to drop in after trick or treating for hot-comparing and fun.

Friday night the Richard Wrasdale of 484 Colony Road invited the Harold Gieger and Donald Dotson families over to celebrate and sing music on their shared vacation at Silver Lake. Although some of the parents are away at college, most of the children were in hand to keep things lively.

AN ELECTION might rival the neighborhood couples together at the R. E. Winkler home on River Drive Tuesday night. The Paul Robertson, George Almonshager, and Winkler made watching TV enjoyable a companionable thing.

Two Franklin families are back home from separate trips to the West Coast with glowing reports. The Donald Hawksley of Colony Hill Road spent a week in San Francisco and Carmel with two other couples.

They played golf, took side trips to all the interesting sights nearby and gorged themselves in all the wonderful restaurants. The weather was warm and clear and brought forth raves.

The David Wirths of Charles Lane combined business with pleasure visiting Texas, Las Vegas and the California citrus for the last three weeks.

NEWS COMES from Denison University that Diane Loppnow has pledged Kappa Alpha Theta at the Granville, O. school. Her mother, Mrs. Ed Loppnow of

Cheviet Hills drive, is happy to report that Diane, although a Med Tech major, is continuing her study of ballet and modern jazz dancing.

Visiting their sons at Hillsdale College for Parents' Day last weekend were the James Washburns of 13 Mile Road and Carl Morse of Glenway Drive. Harry Washburn and Peter Morse are both in their sophomore years. The college was showing off to the parents its new Leadership Development Center.

PARENTS' WEEKEND at Stephens College took three local couples to Missouri to visit their daughters last weekend. The For-

rest Palmers, Dick Probsts and Webb Lees were guests of Karen, Patty and Connie, respectively. The Franklin Garden club will meet tonight at 8 at the home of Mr. and Mrs. William Hyland on Telegraph Road. The speaker will be Mrs. Frank Webb and her topic, "Holiday Decorations."

WELCOME to two Franklin newcomers this week. On Panda View are Dr. Archie Hulak and his wife, Doris, who moved from Beverly Hills, Dr. Hulak's practice is at Metropolitan hospital in Detroit.

He likes to hunt and fish for relaxation and his wife knits and books. She also keeps busy with volunteer work at the hospital.

On Meadow Drive, just north of 13 Mile, are John and Gloria Samara and their 6-year-old son, John, a Franklin school first grader. They moved from East Detroit and is with Ford Motor at the Wixom plant. Gloria's principal interest is church work.
