Mrs. Blauman Spends 2 Months in Vancouver

By GLORIA JESSUP
MA 6-3257

Mrs. C. T. Blauman is back home again on Pleasant Trail after spending the past two months in Vancouver, British Columbia.

Mrs. Blauman flew by jet both ways and was the guest of Mr. and Mrs. A. H. Foe and also spent some time at the North Shore home of the Foe's son, Paul.

During her eight-week stay with her relatives she attended a round of parties, traveled to Vancouver Island and Victoria Islands and

saw the "one woman" show of Marlene Dietrich.

Saturday evening her son-in-law and daughter, Mr. and Mrs. D. R. McConkie will host a welcome-home dinner party for members of the family. Attending will be Mr. and Mrs. Carl F. Blauman, Jr., of Birmingham and Mr. and Mrs. Richard Blauman (former columnist Ellis Blauman) of Beverly Hills.

A YOUNG gentleman by the name of Mark Rosenberger is back in his Westbrook Parkway home after making his first plane trip at the age of 18 months.

Mark and his parents, the Gordon Rosenbergs, flew to Longview, Tex., for a 10-day visit with Mr. Rosenberger's cousin, Mr. and Mrs. Walter Stages. It was not only a vacation but also a get-acquainted party for the Stages and their new godchild Mark.

MEMBERS OF THE VILLAGE

Recently Wed

Barbara Gail Rutzen, daughter of Mr. and Mrs. A. C. Rutzen, 1296 Lenox Road, Bloomfield Hills, was wed Oct. 25 to Donald Bruce Dimming, son of the Rankin Dimming of Detroit. The bride wore a Bianchi silk gown with a chapel train. Her bouquet was orchids and roses. Attendees were Lyn Hopkins, Kay Garrett, Deborah Ann Rutzen, Barbara Jean Copes, Rollin Clinesmith, John Connaughton and Willard Mulligan. A reception followed at the Detroit Boat Club. The couple will make their home in Rome, N.Y.

Dance Club will welcome many new members when they gather on Friday. The new members are Mr. and Mrs. Roy Hoke, Mr. and Mrs. Don Ambuhl, the Reg Zifettes, the Jim Cozys, Mr. and Mrs. Ken Hamrath, Mr. and Mrs. Leo Danesky, the Bob Baxters and Dr. and Mrs. Joseph Oldford.

Guests of the club will include the Fred Thompsons, the Ted Beis, the Ed Spicers and the Neil Thruwachters.

Mr. and Mrs. Rudy Zable and Mayor and Mrs. Richard Cozys will be hosts for the dance.

BACK IN their Lathrup Village homes with neighbors of an unforgettable trip abroad are Mr. and Mrs. Anthony Ciavarella of Bloomfield Blvd. and Mr. and Mrs. Edmond Viale of Lathrup Blvd.

The two couples flew from the States to London and then on to Milan where Mr. Viale took care of some business and the three sons did some sightseeing. Then

off to Turin to attend the wedding of Mrs. Viale's cousin.

At this point in their itinerary they hired a car and took to the open road in lieu of air travel. They drove to the French and Italian Riviera, to Nice, Monaco, Genoa and Pisa, where they enjoyed viewing the Leaning Tower.

The Ciavarellas went to Venice and began retracing the many steps through towns in which Mr. Ciavarella had spent some time during World War II. This experience in addition to meeting many of his relatives had been one which Mr. Ciavarella had planned for his wife for some time.

The Ciavarellas completed their trip after touring Naples and Pozzuo and an audience in Rome with the Pope.

The Viales meanwhile were touring the places they had either missed or seen briefly on a similar trip at this time two years ago. They toured Milan, Zurich and Bern.

While at Interlochen they took a day to travel on the cog railway up the Jungfrau which is the highest railroad trip in Europe. In Lausanne they took part in the 25th exposition celebration to top off another successful trip abroad.

HALLOWEEN and its "Trick or Treaters" gave many parents a full evening, especially those who were attending parties themselves. Just such a couple was Pat and Howard Cudde of Reek Creek Drive who attended the opening dance of the Merry-makers Dance Club at Orchard Lake Country Club after the candy bag was filled, the popcorn dim and the children turned in last.

THE OPTIMIST Club of Southfield will hold their first meeting in November at Howard Johnson's Restaurant at 10 Mile and Southwestern. It will begin at 6:30.

Sgt. Major Kelly of the Army will be the guest speaker. His topic will be "Opportunities in the Armed Forces for Young People Today." In addition to his talk he will show a film including the Army, Navy and the Air Force.

Infrared lamps or burners may someday be used to dry grain as it vibrates up and down at 1,000 cycles per minute, according to Michigan State University. Infrared vibration grain drying is not yet economical as the conventional heated air dryers, but the method offers possibilities for the future.
