Women Painters To Open Show In BAA Galleries

The Bloomfield Art Association will present the 20th annual exhibition of the Birmingham Society of Women Painters at the Birmingham Art Center, 1346 South Cranbrook Road, Nov. 10 through Dec. 5.

The galleries will be open every day except Mondays from 2 to 5 p.m.

Albert Mullen, artist and professor of art at the University of Michigan, has assisted the group in the selection of pictures and will work with the committee which handles the exhibition.

"IT IS remarkable," said Mrs. James Allen, president, "that so many of our original members remain active painters and contribute new pictures each year. The custom of the society is to exhibit at least one picture by each of the 50 members. We are deeply proud of the ever-increasing quality of work which our membership displays."

A message of importance for men and women who are concerned about their health.

If you're over 40 ... Let's face facts
Kidney-Bladder ailments strike far more often

Now is the time to do something about it!

After 40, you're reaching the age when you're more susceptible to the illnesses common to middle age. Among the most distressing are kidney-bladder disorders. If you've ever suffered them, you know the pain and embarrassment involved.

To help relieve kidney-bladder conditions, many doctors suggest drinking 6-8 glasses daily of spring-pure Mountain Valley Water. That's because its "diuretic" (kidney-flushing) effect steps up kidney action, helps you eliminate body wastes faster. Mildly alkaline, it gently soothes bladder irritation, at the same time helps neutralize excess uric acids (thus reduces that "burning" sensation). What's more,

refreshing Mountain Valley Water is "light," non-filling, non-laxative. Regular daily use can make a positive contribution to your health. Costs only pennies a glass -- actually less than a soft drink. And tastes wonderful!

Phone or write today for refreshing Mountain Valley Water. Ask for complimentary literature. Satisfaction guaranteed or your money refunded.
