The Centaurs, a group of five ninth-grade students who attend Groves High School, were invited to play recently for Joel Sebastian at the Motor City Arena.

The boys, all of whom sing, are Bob Ruby of Lecherie Road, the bass guitarist; Bob Rose of Pickwick Lane who plays piano; Rick Reynolds and Dick Rosemont, both of Devonshire Road who play lead guitar, and Tom Lindemoor of Walnut Lake, drums.

The group also has performed locally at teen dances and parties and now it seems the demand for their talents has even spread to Detroit.

A "THANK YOU" luncheon for her willing Torch Drive coworkers is being given today by Mrs. Joseph Fagan of Old Coach Road.

Attending are Mrs. Richard Gray of Carriage Lane, Mrs. Robert Falberg and Mrs. Bruce Randall of Old Post Road, and Mrs. William Nance and Mrs. Thomas Fitzgibbons of Cobblestone Court.

Mr. and Mrs. Stan Spindler of Whitlam Road were pleasantly surprised last Saturday night when they were greeted at the front door of their new home by a gala crowd of well-wishers.

A delicious buffet dinner preceded by cocktails and hors d'oeuvres were furnished by the group.

Among those present at the housewarming were the Lou Millers of Franklin, Chuck and Betty Binford of Foxcroft, Dr. and Mrs. Keith Ray of Metamora Drive, Mr. and Mrs. Erwin Russell of Southfield, and Dr. and Mrs. Tom MacInerney of Royal Oak.

THE BEVERLY Hills Garden Club held its November meeting at the Cedar Hollow Road home of Mrs. James Lawson where members heard Mr. Paul Thompson speak on conservation.

Thompson is guiding the group in its project of making and marking trails at the Dodge Park on Beverly Road with the assistance of local Boy Scouts who began the task of clearing the trails last week.

The women hope to interest other groups and individuals in this project which will make the park more pleasant for everyone since the long range plans call for cedar chip paths and markers for trees and plant life.

Cobaltuses at the meeting were Mrs. John Musto and Mrs. Vance Dergis.

The next meeting will be held on Dec. 3 at the Birmingham residence of Mrs. Frank Webb who

It was the wise Greek, Socrates, who said "Take joy home and make a place in the heart for her." Those few words succinctly encompass what volumes of books seek to make plain yet the mere mechanical reading of one or more such volumes will not reveal the real nature and understanding of Socrates' meaning. Only by prayerfully hungering for "the receptive, the inspired state of thought", can one thrill to Socrates' truth! (GRA)

Workshops Yield Items For Christmas Bazaar

By ELIZABETH YATES
MI 6-1682

After months of committees working on Christmas workshops Kern Lake Garden Club members met to view their finished products assembled for the first time under one roof last Monday afternoon.

The meeting, held at the Masfield Drive home of Mrs. Dick Green, was a dessert meeting to finalize plans for the "first" entry into the Northville Christmas Bazaar entitled "Christmas Frostings."

The Kern Lake branch will be one of 13 branches of WNWGA to have a Christmas booth at the annual bazaar to be held on Saturday, Dec. 5, from 9:30 a.m. to 5 p.m. at the Northville Community Building. Presale tickets at reduced rates may be purchased in the North Adams area through the club president and ticket chairman Mrs. Louis Cicchetti of Parkman Drive.

Among the 300 fascinating articles to be for sale by the Kern Lake club will be unusual wall hangings in batik and felt of the Three Wise Men, holi-

day-decorated tote trees in several sizes, book ends and matching wall plaques with horseshoe mountings, intriguing wall plaques of chess figures and others with confederate money.

There also will be gaily-decorated bird houses, feeders and garden gloves. Other items to be found on the Kern Lake table will be knitted aprons, place mats, knitted mittens, headbands and glamorous clothes to fit 12-inch dolls.

Committee and art director of the Kern Lake workshops is Mrs. Wallace Ehrlich of S. Westview Court. Her committee chairmen include Mrs. Janice Shannon, Mrs. Arthur Olson and Mrs. Eugene Mort.

THE BOY Scouts of Troop 1019 will be selling Christmas wreaths and roping door-to-door for the next two weeks in the Eastover and Hickory Grove school areas, the troop's only money-making effort of the year.

Their wreaths will be in sizes from 23 inches to 4 feet and the roping will be in cedar or balsam and sold by the yard. Deliveries (See WORKSHOPS, 6-C)
