My Office Is Always Open—Thanks to My New Outercall

I'm no slave to my business. Yet my office is never closed. I pay no overtime. In fact, I have no full-time secretary.

One compact machine on my desk does everything: Answers the phone. Takes messages and orders. Gives me all messages whenever I call in. Answers and amplifies all calls when I'm in the office, without picking up the phone.

This Outercall machine works 24 hours a day, nights, Sundays, holidays, all year long. It holds down the fort when I vacation.

And it costs less than telephone answering service. Gets the message right every time, in the caller's own voice. Never misses.

Buy it or lease it. Outercall with Outercall is a new, inexpensive development now available here to business and professional men exclusively from Outercall of Michigan.
