

Young's of Birmingham

To Our Patrons:

I believe that our clientele, the people of the greater Birmingham shopping area, who wish to buy clothing and furnishings for men and young men, are interested in a convenient place to shop, pleasant surroundings, quality merchandise, congenial sales personnel, and good service.

This has been the foundation of fifteen years in building our business in Birmingham. Your continued patronage has made the past year our greatest ever and has confirmed our policies to be sound. We're looking forward to serving each and every one of you during the busy days ahead . . . when CHRISTMAS gift buying is your major project.
