Wonderfully cuddly stuffed animals everywhere . . . in every conceivable color and shape! Some for decorative accent, some for comfort and some just for fun! Shirley Ford, Inspiration's owner, bought some of the sweetest and kookiest stuffed toys ever created for this Christmas season. Andrea is hugging poor, old "Sad Sack" (he just looks like he needs hugging!) "Sad Sack" sells for \$10.50. Barbara is listening to an honest-to-goodness Poodle Radio. This 6-transistor "poodle" looks adorable in black or white, priced at \$18.95. "Fluffy the Floppy Dog" (on the counter) makes an excellent gift for the younger child since he can be combed or brushed all over . . . \$7.75. There's a little "Rita Eater" doll behind Barb that really eats sugar and liquids, only \$7.50. Of course, if you are familiar with the Inspiration Shop, you realize they carry a wonderful variety of gift items for the home, too . . . lamps, sconces, mirrors, and jewelry. Stop and shop, open every night until Christmas. Let Mrs. Ford and her staff give you gift ideas galore.
