"Deck the Halls—" . . . so easy to do at the Prep Shop. Instead of "visions of sugarplums," Elinor has visions of Mark, on Christmas morning in the very handsome Teem Mate ensemble by Kalamazoo. This dyed-to-match, 2-ply lambewool sweater and 70% orlon, 30% worsted wool pant is a sure winner at \$21. Trevor Hall is similarly lost in colorful thoughts of Trevor, Jr. in a wooly, warm Yugoslavian imported jacket. Jacket is of rugged Heek suede, lined in genuine lamb'shearing, to delight and warm the spirits of any boy . . . priced at \$37.50. The perfect gift for a Christmas "him" will surely be found at The Prep Shop.
