A gift for the home is a gift the whole family will enjoy! Gift idea: A complete set of plans and framed color perspective drawing of a new St. Charles kitchen to be installed after the holiday season is over.

The Halls are discussing this very idea while the children help themselves to refreshments in one of the beautiful kitchens displayed so attractively at Bloomfield Custom Kitchens. Elinor feels her busy kitchen (handling meals for Trevor and five active youngsters) must have certain specialized storage facilities and labor-saving appliances designed to fit "just so." She knows that a St. Charles kitchen by Bloomfield Custom Kitchens will give her the ultimate in custom features, and at the same time the ultimate in beauty, because her kitchen will be custom planned, custom designed, and custom installed just for her.

Drop in and see our "one-of-a-kind" kitchens . . . and if you like, let us show you how easily you can have the finest family Christmas present ever—a St. Charles custom kitchen.
