

Mid-Semester Exams End At Rice; Activities Resumed

By JOHN MCGUCKIN
Special Writer

The last week has been one of a series of coming and goings for the Brother Rice High School student body and faculty. Semester report cards were issued on Tuesday, Jan. 28, following a week of mid-term exams.

During exam week very little happened in the high school as Brother Rice students devoted most of their time to studies. With exams over and forgotten until next June, Brother Rice has once more returned to its usual panorama of extra curricular activities.

Brother D. D. Crimmins returned to Brother Rice on Tuesday to resume his position on the BRHS teaching staff. After brief transfer to New York, Brother has returned to his schedule of senior English classes. Brother Crimmins' return to Brother Rice has substituted for Brother Crimmins on the BRHS faculty.

Brother O'Connor accompanied Brother Crimmins to Brother Rice. The purpose of Brother O'Connor's visit is to once again speak to vocation-minded students. Brother is vocation director for the American province of the Christian Brothers of Ireland.

BROTHER PENNY, provincial of the American province will arrive at Brother Rice in early February to conduct a day of recollection for these same boys.

On Saturday, Jan. 28, five members of the Brother Rice Sodality attended the 11th annual Training School of Sodality Action at the University of Detroit. The major theme of the Sodality Day was "Solidarity in Action." Three major speakers addressed the more than 1,500 delegates from Detroit and the Detroit area.

Father Seoni, assistant director of the high school sodalities in the Detroit archdiocese, stressed the need for people of action not active people.

Richard Peck, a social worker who is affiliated with Catholic charities, also addressed the convention. The final speaker was Henry Vassal, director of the Catholic Youth Organization for Detroit.

Attending from Brother Rice were Gary Mellon, prefect of the BRHS Sodality, Tom and Bill Buckner and John Piggett. They are accompanied by Brother J. A. Grimaldi, moderator of the Sodality.

THE SODALITY WILL hold its

WATER SOFTENERS

REYNOLDS All Fiberglass Fully-Automatic Water Conditioners (Patented) with our LIFETIME GUARANTEE against Rust, Corrosion, and Leaks will make more water and remove more iron, for less operating cost, than any other water softeners ever made.

Your present softener can probably be converted into a Reynolds Automatic. Investigate—No obligation. Factory sales, installation, and service (We service all makes).

first day of recollection on Sunday, Feb. 17. Father Maurice Geary, chaplain of Marian High School, will address the students.

On Tuesday, Feb. 11, three Brother Rice students will attend the eighth National Science Youth Day. The event will be held at Greenfield Village and is sponsored by the Engineering Society of Detroit.

Each high school in the Detroit area is permitted to send three students who are interested in science and mathematics to the

Rocket Club Started At B'field Jr. High

By MARCIA MOYER
Special Writer

Casting for the 10th grade play called "Fog Island" took place this week in the student center and Guy Morel will be directing this play. Practices will be held from 7:10 to 8:15 every morning before school. The play will be given some time in April.

Diane Jones, Debbie O'Grady, Maureen Simpson and Lynne Deery were in the student center this week to see the play, Karin Bateson is the play's director.

Mr. William Phelps, father of sophomore Ricky Phelps, is sponsoring the new "Lancer Rocket Club." The club meets every Wednesday after school in the science room. They will be making model rockets and launching them on the school property.

THE OFFICERS are president, Rick Phelps; secretary, John Hunt; treasurer, Larry Brynes; and activities, Jamie Phillips, Bill Gavel and George Farrah.

Other members are: Chick Adams, Phillip Brown, David Gell, David Hinton, Randy Marshall, Scott McLean, Roy Miller, John Neely, Tom Peters, Ed Pierce, Dan Singleton, Jim Ward, Jim Weddle and Fred McIntyre.

"Welcome to Dog Patch Country" was the theme of the social night at Teen Club on Jan. 31. Members dressed as hobos or in western style.

DUD DeADOR and his Road-runners played for the dancing. Singing was done by the Madrigals, Barbershopbers and the Twelves.

S'field High Students Air Radio Show

Talented Southfield High students will launch a half-hour weekly radio program of their own beginning Saturday on radio station WABX-7.4.

The show will be entirely planned and produced by students as part of their radio speech class, under supervision of instructor, Dan Julian. Tapes will be made in the high school's sound room and sent to WABX in Detroit for weekly airing.

"Youth Must Be Heard" is the topic of the first program of the series, heard at 9:55 megacycles from 12:15 to 12:45 p.m. each Saturday. The topic sets the theme of the series—an opportunity for youth to express their views on issues.

STUDENT PRODUCERS of the venture are Russ Warren and Judy Bryne. Greg Cornell will be announcer and Pat Gann, the moderator. Panel members for the first show are Merrill Strasser, Jack Ellis, Michelle Mandell, Greg Cornell and Tim Malone.

Instructor, George Poertner is handling technical aspects of the taping and his assistants are Harry Glas, Gordon Buck, Mike Ray and Jim McLeary.

Quick treatments cost Michigan victims \$12 million every year.

Marian Student Body Holds Annual Mardi Gras Party

By KATHLEEN DARGA
Special Writer

After hectic weeks of preparation, the annual Mardi Gras is being held today with every student taking an active part in both the work and the fun.

Among the numerous planned attractions are several gift-drawings, a Candid Camera presentation and the traditional jail for deserving teachers and unlucky students.

Among the surprising features was the long-awaited style show. Students attending were treated to fashions such as the ever-popular box suit (made of boxes) and the pill-box hat. This time it was genuine, thanks to Bayer and Co.)

REPRESENTATIVES from Marian will be discussion leaders Joan Hergott, Kathleen McPhail and program designer, Barbara Arim. Faculty moderators for this event will be Sister Kenneth Marie of Marian and Sister Mary Aquinas, a former Marian faculty member, of Immaculate.

Thirty Marian students attended the Training School of Social Action at the University of Detroit, Jan. 25.

The Drama Class, under the direction of Miss Nancy Essler, has presented "Claudia" as one of its first full-scale productions. Michael Courte, Sandra Hallick, Elizabeth Hoener and Rachael Lupton played the leads, with Judy Kimball as technical director and Janice Vecchio as stage manager.

THE VISUAL, as well as the aural arts department has distinguished itself by outstanding performance in the construction of Mosaic tables and wall hangings under the direction of Miss Shinkait.

The creations range from Elizabeth Savickas' Leopard wall hang-

ing to Georgia Gau's Madonna and Child to Barbara Esslinger's Cat and table and Mary Ann Walker's protractor and compass for her engineer-father's office.

Among the artists are: Gaytha Bricker, Janet Bouchard, Katherine Carroll, Virginia Clessel, Diane Cook, Mary Lynn Ford, Diane Hegdel, Anita Johnson, Janet Johnson, Paula Kocals, Jeannette LaClair, Ann McLaughlin, Barbara Potvin, Sandra Prochaska, Dawn Randall, Cheryl Savage, Diane Wagner and Eleanor Yarema.

Junior fourth year Latin students have completed a set of projects on Vergil's Aeneid and its practical and cultural bearing on the world today.

SUSAN CHORREY, Diane Dorais, Mary Frances Gray and Rita Zorn chose technical aspects for their studies. Jane Hardy looked to character with her description and Martha Dunlay chose photographs of modern world figures.

Several girls used modern and traditional art forms to illustrate passages. Among these were Barbara Arim, Bonnie Birger, Ellen Cantrell, Margaret Conklin, Doris Flaherty, Linda Gibson, Marcia Polomack and Jean Scholl.

Plymouth Dealers proudly announce...

America's newest and lowest-priced V-8... VALIANT!

Signet 2-door hardtop

(and it couldn't happen to a better all-around compact)

This announcement is for people who want compact economy and convenience, but who still want plenty of zoom.

For them, Valiant's new V-8 is the perfect choice.

Not only is it America's lowest-priced V-8, but it's also a car powered by

a rip-snorting 278-cubic-inch engine that knows what to do when it sees a hill.

The latest in a long list of Chrysler engineering achievements, the new V-8, built especially for compacts, is lightweight, highly efficient, and has just proved its ruggedness in the Monte Carlo Rallye.

It's nice to know Valiant's new V-8 is backed by a 5-year/50,000-mile engine and drive train warranty*, too.

Fortunately, you don't have to go far to find America's lowest-priced V-8. It's right around the corner—at your Plymouth Dealer's. Stop in.

HERE'S HOW VALIANT'S STRONG 5/50 WARRANTY PROTECTS YOU: Chrysler Corporation warrants for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutches), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1964 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 3 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

*Based on Manufacturer's Suggested Retail Prices for sedans, bucket-seat convertibles, and station wagons, exclusive of destination charge, state and local taxes, if any, whitewall tires, bumper guards and other optional equipment.

See Valiant's new V-8 in action on "The Bob Hope Show"—NBC-TV.
