Double Surprise Greet Mrs. Booth on Birthday

by GLORIA JESSUP
MA 6-3257

They say "Life Begins At Forty," and Mrs. Norman Booth of Wagon Wheel Drive had so much fun on her 40th birthday last week that she said she thought she would be 40 again next year.

The surprises came twofold. It all began when her neighbor Mrs. Charles Tallinger of Broughton Drive invited her to a luncheon which turned out to be a surprise party for Mrs. Booth.

The second surprise came as Mrs. Booth was preparing to go out to dinner with Mr. Booth. But, Mr. Booth had planned it another way. The guests arrived with gifts and food and the man of the house put on the apron and came forth with the steaks.

Birthdays seem to be the thing in the Booth house. Son Bob celebrated his ninth by inviting eight of his friends from Wing Lake School to go bowling on Saturday and then back to the Booth house for the traditional ice cream and cake.

MR. AND MRS. John Black of Tanglewood Court, Foxcroft, returned recently from a 12-day trip to California. They took in the Rose Parade and the Rose Bowl game and visited friends and relatives in San Marino.

Two other Foxcroft couples have just returned home, also. They are the Richard Flicks of Crabtree Road and the Albert Trays of West Surrey.

They flew with a group of American Motors dealers to Spain for eight days. They toured Madrid, Lisbon, Portugal and were most impressed with Toledo, Spain.

Toledo is the city famous for manufacturing steel for use, among other things, of the bull-fighter. It has been preserved as a national shrine and appears like a city out of the middle ages.
