Facts

(Continued from 1-B)

Important to consider in making plans for the future development of Bloomfield Township.

Why then, before the facts are gathered, do you conclude incorporation is a mistake? A newspaper too needs to wait and get all the facts before judgment.

When the citizens committee has researched all the pros and all the cons concerning a change in governmental structure and reports its recommendations, then let us all weigh the facts and decide.

Please don't prematurely decide what is best for us.

To the Editor:

In reference to three anonymous Shriners:

I am the mother of a five-year-old boy attending kindergarten at Torry School. Due to your kind generosity in giving free tickets to the kindergarten children and chaperoning parents, he had a wonderful experience in seeing his first Shrine circus.

Therefore, I want to publicly thank you three fine gentlemen for this wonderful deed. It was very much appreciated.

PLYMOUTH BEATS FORD AND CHEVROLET IN 9 OUT OF 10 TESTS OF SHOWROOM CARS—

Wins Acceleration, Handling, Braking, Gas Economy—"things you buy a car for." Plymouth also costs least!—and carries the only 5-year/50,000-mile warranty.*

After a clean sweep at Sebring, Fla., a 1964 Plymouth Fury beat a 1964 Chevrolet Impala and Ford Galaxie "500" in 9 out of 10 tests at Raceway Park in Indianapolis.

The cars were showroom models with standard V-8 engines, cars you can buy. And the tests were of "things you buy a car for"—acceleration, handling, braking, gas economy. As the results box shows, Plymouth accelerated best, handled best, braked best, and got the best gas mileage.

The results box shows one other thing: Of the 3 cars tested, Plymouth costs least! If this is the year you picked to buy a new car, you picked a beautiful year to Get up and go Plymouth!

At Plymouth's request, Nationwide Consumer Testing Institute bought the comparably equipped V-8s directly from dealer showrooms, hired the drivers, supplied the officials, made the rules and supervised the entire competition.

*HERE'S NOW PLYMOUTH'S ENGINE AND DRIVE TRAIN WARRANTY PROTECTS YOU: Chrysler Corporation warrants for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding minor faults), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1964 automobile, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the car's air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.
