

Neighborhood Notes From Peggy

by MRS. J. F. HAMILTON
MI 6-2532

When the ice show "Gay 90's" is presented at Eton Rink Saturday night, Feb. 20, Eric Broadus, 1908 Humphrey, will do a solo number to music from "Sound of Music". He will also appear in the big production number of the show, "The Gibson Girl Waltz Number".

According to Patricia I. Husemann, producer of the show, Eric is also designing the hats for the Gibson Girl number and the cover for the program. Another well known skater from this neighborhood, Peggy Hill, 1717 Penitence, will appear in the Gibson Girl Number.

Miss Husemann, supervisor of recreation for Birmingham Recreation Dept., says that the skaters taking part in the show are all ages starting at six years old and including adults. They do their own choreography and costumes.

MR. AND MRS. Saba D. Salah, returning from a three year trip to Europe and the Middle East, arrived in New York aboard the SS. Scalibur Jan. 8, and came to make their home, temporarily, with their son and daughter-in-law, Mr. and Mrs. David S. Salah, 1711 Bowers St.

The Salahs journeyed to their native Palestine, staying for a while in Jerusalem and the Holy Land. They also stopped at Beirut, Lebanon and Damascus, Syria; traveling on to Naples and Genoa, Italy and then to Barcelona, Spain and Marseille, France. Mr. and Mrs. Salah lived in Detroit for 12 years prior to their trip abroad.

Steve Senglaub had a party Saturday, Feb. 1, to celebrate his eleventh birthday. He invited his friends to 6:30 dinner and a movie in his home. The guests were treated to all the "sloppy joe's" they could eat besides ice cream and cake. Steve is the son of Mr. and Mrs. Robert L. Senglaub, 1526 Melton.

MRS. JOHN R. TABB, 1566 Bowers St., has been confined to her home since she was injured in a fall from a ladder in the kitchen of her home Jan. 26. Mrs. Tabb has several cracked and dislocated ribs as a result of the accident and must lie in bed for an indefinite period of time. "It even hurts to laugh," and this will be especially hard on Mrs. Tabb who sees the funny side of everything.

Beryl Ferchland hopes to be rid of her talking cat in time for the Valentine Dance at Derby Feb. 14. Beryl, daughter of the H. W. Ferchlands, 1028 Bowers St., broke her ankle skiing at Caberfae with the Derby Camp and Trip Club the weekend of Jan. 17.

THE JUNIOR Girl Scouts in fourth, fifth and sixth grades at Torry School will all take part in a Thinking Day program in Torry gym at 3:30 p.m. Feb. 21. Carrying out the theme of Thinking Day, "International Friendship", each troop will give a skit about a foreign land.

Spain will be pictured by troop 683 whose leader is Mrs. Alexander Strachan. Mrs. R. W. Dwire's troop 219 will have Germany as their background. Japan is the country chosen by girls in Mrs. Robert Brauburger's troop 55. The Scouts in Mrs. Ralph Wallace's troop 169 are brushing up on their French, as they have promised to bring a bit of French flavor to the program.

Also on the program will be Mrs. Harold Handley, a Girl

Ring in a New Torch Drive Year

Ring in the 1964 Torch Drive year with the attention of three top United Foundation volunteers last week. Practicing up are (from left) Mrs. Clyde C. Bennett, Jr., of Birmingham, last year's co-chairman for community campaigns; Mrs. Irving F. ImObersteg of Dearborn, who takes over as co-chairman for the 1964 Torch Drive, and Mrs. Worth Kramer of Bloomfield Hills, head of the United Foundation Women's Organization. They (along

with TV personality Pat (Mrs. Donald) Morris of Birmingham, were photographed at a luncheon at the Detroit Club last week when Mrs. ImObersteg's appointment was announced. The new co-chairman is already at work, organizing activities of more than 50,000 volunteer doorbell ringers. Their assignment next fall is to tell every family about the health and community services provided by the 197 Torch Drive agencies, and raise about \$1½ million.

Old World Market Planned by Marian

Marian High School will hold an Old World Market Friday, May 8, at the school. The Mother's Club and students are making the arrangements for this day-long affair, featuring a luncheon, fashion show and numerous quaint booths displaying wares from far-off countries.

The entrance will be decorated with flags of all nations plus a striped awning, in case of inclement weather. Boys from Brother Rice High School have volunteered their services to park cars. The corridors of the school will be turned into wayside shrines and flower stalls.

Luncheon will be served in three areas and the menu will vary with the country represented. There will be an Irish Coffee House, French Sidewalk Cafe and a Swiss Chalet. Strolling musicians will provide background music during the luncheon.

JACOBSONS HAS offered to do the fashion show during the luncheon period. Modeling will be informal.

Booths will be stocked with unusual items. Norway will be featured by handmade knits, Belgian linens, Dutch aprons and Italian

ceramics will be among the others and, of course, a French Boutique. With its first graduation class gone on to college, great stress is being put on the importance of a complete library. This has been the goal of the Mother's Club and is possible this year if this affair is a success.
