

## BLOOMFIELD SOUTH

### Meadowlake Association Slates Dance Saturday

By ELEANOR NELSEN  
MI 7-0056

The Meadowlake Association will be holding its big dance of the year on Saturday at the Oakland Hills Country Club. Wonder if the theme will be George Washington and if they'll serve a cherry pie?

It might even be fun to see some gentlemen in a nice white wig, a change from the Beatles and their mad, mad hair styles. To get back to the dance, chairman of the party will be Mr. Russell Pember of Halyard Road.

Assisting him among the men of the area will be Mr. Larry Boensch, Mr. Thomas LaVeck, and the president of the association, Mr. Jerry Merrick.

Women of the Ladies Auxiliary of the Meadowlake Association who are lending a hand to the social affair are Mrs. Stanley Martin, Mrs. Richard Hallock, Mrs. John Pawdzik and Mrs. William Jones.

Dinner is set for 7:30 p.m., after which the group will dance to the music of the Dierks Brothers Orchestra. As an added attraction, there will be several door prizes offered to the guests.

THE WESTCHESTER Branch of the Women's National Farm and Garden Association will be entertained in the home of Mrs. Robert Dewar, 2256 Nottingham Drive, at 8 p.m., Monday. Highlight of the evening will be a discussion of the trends in landscaping with emphasis on patios, "Patio Artistry."

It will be presented by Mr. Laverne Bueche, a landscape architect. Cosponsoring the meeting will be Mrs. R. B. Mangrove, Mrs. David McEwen and Mrs. Louis Williams.

THE MAPLEBROOK Branch of the Women's National Farm and Garden Association will also have Mr. Laverne Bueche as its guest speaker. His topic at the meeting, to be held on Wednesday, will be "Patios and Evergreens."

The meeting will be at the home of Mrs. Russell Layland, 880 S. Cranbrook Road. Cohostesses will be Mrs. Carl Neppach and Mrs. John Kull. The time will be 12:30 p.m.

MR. AND MRS. TED Hopkins of Pickering Road were in Chicago the week end of Feb. 6 for the purpose of attending the auto show.

Mrs. Hopkins remained a few extra days after her husband returned home in order to spend some time visiting with her parents, Mr. and Mrs. Andrew Scherer of Evanston, Ill. She also found time for a luncheon date with a former Pickering Road resident, Mrs. Bert Johnson and several other women who formerly resided in this area.

The week end of Feb. 14 found the Hopkins and their four sons, Tom, Jim, John and Rick up in the Thumb area where they enjoyed winter sports with the Norman Frys of Bloomfield and their two daughters.

Dr. and Mrs. Mark Dale, also of Pickering Road, were another couple traveling to Chicago recently. The Dales attended a Medical Fraternity meeting and formal dinner dance while there.

"HAD A WONDERFUL time and the memory lingers on" is somewhat the way Mrs. Merrill Hayden of Valley Spring Drive feels about the past holiday season. The entire family, Mr. and Mrs. Hayden and their two daughters, Kathleen and Susan, spent Christmas with their son, Merrill, his wife Margo, and their three children at their son's home in San Diego.

Mr. Hayden and the two girls flew home after a two-week visit but Mrs. Hayden remained for an additional three weeks. While the family was on the west coast they took many side trips, one to the famed Disneyland and another to Marlineland.

The Haydens were especially thrilled seeing their three grandchildren, Mark, Melissa and David.

WHEN THE BLAIR Chamberlains of S. Glenview Road planned a vacation to Mexico they were most pleased when their son, Jere, who resides in Los Angeles, Calif., was able to join them.

The Chamberlains left here on Jan. 5 and flew to Mexico City. Jere joined them there and after spending some time in this delightful city they rented a car and drove to Acapulco which they found to be just as wonderful though slightly warmer.

After that the threesome winged their way to Los Angeles where the Chamberlains spent a week at their son's home. They had lived on the west coast some 20 years ago so were familiar with the city but on this visit caught up on some of the new attractions, namely Disneyland. In all the Chamberlains were vacationing for a month.

THE BIRTHDAY group from the Cranbrook-Maple area un-

knowingly struck it lucky when they chose their last meeting place and date.

Planning weeks in advance, they were unaware that when they decided to lunch at Pine Knob on Feb. 11, it so happened it was the day the sisters who represented the United States at the Olympics at Innsbruck were to race and put on an exhibition of skiing that very night at Pine Knob. Of course the ladies were not there for the big event but they were treated to watching the skiers practicing and getting the "feel" of the slopes.

Women attending the luncheon were Mrs. Joseph Jasper, Mrs. Thad Marchewicz, Mrs. John LaVrakas, Mrs. John Kull, Mrs. Russell Layland, Mrs. Will Daschell. Others were Mrs. Josephine Lane, Mrs. Barbara Werden, Mrs. Shannon LaFontaine, Mrs. Elinor Kelly, Mrs. Edward Nelson, all of Birmingham, and Mrs. John McKenzie of Royal Oak.

### Have You Met ...

The residents of 3036 Oak Hill Drive, Birmingham? Mr. and Mrs. Edward H. Schroeter moved from Cleveland Heights, Ohio in January with their daughter, Christine, 13. Schroeter, a sales engineer, with the Thompson Ramo Wooldridge Company, is a graduate of Notre Dame University.

### Vacationing in the Laurentians

Mr. and Mrs. David G. Andree (left) and the David R. Smiths, all of W. Thirteen Mile Road, figure other fields are greener—or at least snowier! One look at our local ski slopes last week prompted the foursome to take off for the Laurentians, where they're headquartered at Mont Tremblant Lodge.

### Chicago Trip Follows Rites In Church

A double ring ceremony at Our Lady Queen of Martyrs Church, in Beverly Hills united Dianne Patricia DeRosier and John Francis Noonan, Jr., on Feb. 8.

The bride is the daughter of Dr. and Mrs. Arthur L. DeRosier of Beverly Hills, and the bridegroom's parents are Mr. and Mrs. John F. Noonan of Detroit.

The bride wore a white floor-length gown of peau de soie with appliques of roses and seed pearls forming sprays on the bodice and front of the skirt. Her shoulder-length veil cascaded from a crown of seed pearls and she carried white roses, ivy and stephanotis.

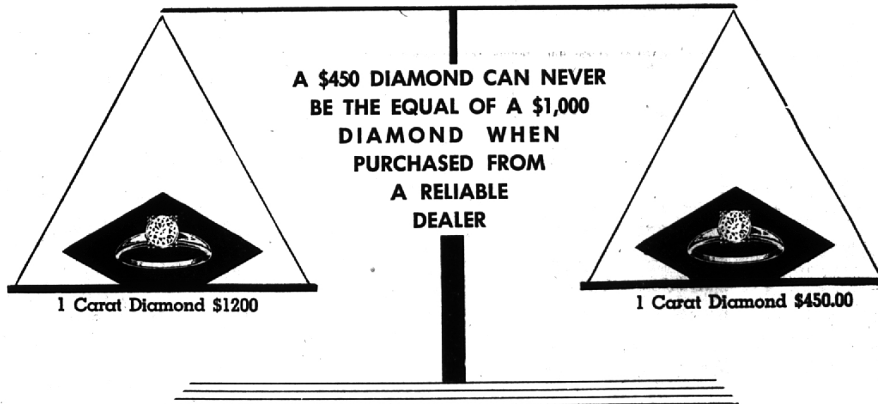

MARY ELIZABETH Cole of Detroit was the maid of honor, and the bridesmaids included Gabrielle DeRosier and Christine DeRosier, both sisters of the bride, and Irene McIntosh of Birmingham. They were identical gowns fashioned of royal blue satin skirts with velveteen tops. Their headpieces were circlets of velvet and they carried carnations entwined with ivy.

Richard Noonan, brother of the groom, was the best man and ushers included another brother, Patrick Noonan; James Chevalier, Phillip DeRosier and Mark DeRosier, both brothers of the bride. Following a breakfast at the Birmingham Athletic Club, the bride changed to a beige and white tweed skirt with jerkin top overblouse and the newlyweds left for a wedding trip to Chicago, Ill. They will make their home in Berkeley.

### Know Your Jeweler ...

## THE CARAT WEIGHTS BALANCE,

But ...

Claims to that effect can be made. But, given equal carat weights and different prices, the lower priced diamond automatically has less of the desired qualities that characterize the other diamond. Obviously, this does not apply only to the prices used as examples above.

Know your dealer. In him must be placed your trust for

value received. The reliable dealer is one who has pride in his profession, whose integrity is a matter of public knowledge. Aside from his integrity, he will never give less than fullest value because his living depends on your future purchases. If he appraises your "bargain" diamond as value less than paid for, it is not sour grapes, but the judgment of one who knows diamonds.

### Know The 4 C's Of Diamond Value

Know that every diamond has four characteristics that determine its value—Carat weight, Color, Clarity and Cut. A \$100 diamond can have as perfect a combination of these as a \$1,000 diamond. The difference will be size. The individual investing in a diamond should ask himself whether it's size alone or the best combination of the four C's he wants in his diamond. A reliable dealer will give the latter.
