### DCD Gives Kick-Off Party

"All of Us For 'Little Me'" was the theme for a champagne party at Mr. and Mrs. Richard Serlin's house in Palmer Woods Sunday for members of Detroit Country Day School's theatre party benefit committee.

Committee co-chairmen, Mr. and Mrs. Serlin and Mr. and Mrs. William Grimes, hope for a record turnout of parents and students for the April 8 performance of "Little Me," starring Sid Caesar and the original Broadway cast in the hilarious adaptation of Patrick ("Auntie Mame") Dennis' book of the same title.

"THE ANNUAL theatre party has been highly successful in past

years and has contributed substantially toward needed school improvements. We hope to have a record turnout of over 800 parents and students this year," Mr. Grimes commented.

Members of the committee attending the party included Mr. and Mrs. Richard Bull, Mr. and Mrs. Forest W. Shea, Mr. and Mrs. Robert S. Olson, Mr. and Mrs. Herbert L. Mitch, Mr. and Mrs. John Forsen and Mr. and Mrs. Elwood Engel.

Proceeds from the theatre party will be used to expand the Country Day School's extra-curricular and sports activities.

OTHER BIRMINGHAM-Bloomfield Country Day parents who'll help sell tickets include Mr. and Mrs. Gordon Walker, Mr. and Mrs. Stewart N. Loud, Mr. and Mrs. John A. Swain II, Mr. and Mrs. Jack Saylor and the Kirk Martins.

Still others include Mr. and Mrs. Lawrence P. Hourihan, Mr. and Mrs. Richard Bull and Mr. and Mrs. John Spomer.

### Federation Plans Luncheon Meeting

The Oakland County Federation of Women's Clubs will hold its March 6 meeting at the Hazel Park Lutheran Church, 22910 Highland, Hazel Park. A coffee hour will precede the business meeting scheduled for 10:30 a.m.

Presiding officer will be Mrs. Forbes Hasall of Birmingham, president of the Federation. Election of officers will take place followed by department reports.

Luncheon is scheduled for 12:30. The program will consist of "An Easter Message" by Mrs. Arthur Dewey of Rochester.

Hostess club for this event will be the Hazel Park Woman's Club.

Attending from this area will be Mrs. John Walrath, president of the Birmingham Woman's Club; Mrs. Gayer Moyne, Mrs. H. M. Kordenbrook and Mrs. H. Acton.

Surest way to dispel those mid-winter doldrums is to shake the dust from the old hometown and head for far corners of the earth—which is exactly what dozens of area residents have subscribed to since the first of the year. Some like it hot, some like it cold, but whatever the climate, the results add up at trip's end to tanned faces, relaxed attitudes and a zest for facing spring with a dash and a flair.

### Deadline Is Friday

Deadline for all organizational news, weddings and engagement announcements for use on The Birmingham Eccentric's women's pages is 5 p.m. on the Friday before publication.

### Sorosis Anticipates Spring

Birmingham alumnae of Collegiate Sorosis are thinking in terms of spring, next two events on their busy agenda revolving around a tea to be held March 20 at the Community House and a benefit theater party to be held May 1 at the Village Players. "Having Fun With Flowers"

keynotes the tea at which Mrs. C. E. Hutchens of East Lansing will be the guest speaker.

SHE IS A past president of Lansing Branch, WNPGA, and Michigan Federated Garden Clubs. She is a national accredited judge with a life certificate and is also first vice president of the Michigan Judges Association.

Mrs. Hutchens will be introduced by her daughter, Mrs. William Whitcroft of Birmingham, who is president of the Sorosis alumnae group.

LAST YEAR'S benefit at the Village Players proved to be a sell-out, so a repeat performance—on the part of both groups—seemed a happy thought for this year.

"Bells Are Ringing" will be the show, and at a meeting held in the home of Mrs. Robert Reid last week, Mrs. Roger Struck was appointed head of ticket sales. They'll be available starting April 10.

### Study Club to Hear About Medical Aid

Birmingham Study Club will hold its March meeting Tuesday evening at 8:15 p.m. in the home of Mrs. Charles Epker, 5 Hickory Hollow Drive, Birmingham. Mrs. Charles Thurston and Mrs. Albert Schumm are in charge of refreshments.

Mrs. Lester Auberlin will speak about the World Medical Relief organization, of which she is president. This organization came into being 10 years ago when the sight of Korean war orphans on TV moved Mrs. Oberlin into action.

She asked physicians and hospitals for their free drug samples, discarded beds and dental equipment and, since then tons of needed supplies have gone out to sick people and disaster areas all over the world. Her biggest problem is collecting funds for the transportation of all donated materials that comes into her warehouse every day.
