Neighborhood Notes

From Peggy

By MRS. J. F. HAMILTON

As a driverless runaway car made a right turn and headed for the picture window at 1688 Bowers, Mason E. Erb and David S. Salah raced from their homes and stopped it.

The car, left in front of 1684 Bowers with the motor running to warm up, rolled over the curb crunching three garbage cans under its wheels, reducing them to sheet metal and steering trash for several yards around. There was no other damage.

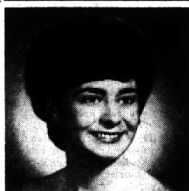

The incident occurred on a Monday morning, recently when all the cans were out at the curb awaiting the trash pick-up men.

CAPT. JAMES Cookley, USAF, is to be guest speaker at Cub Pack 1020's Blue and Gold banquet at St. James Episcopal Church tonight at 6:30. About 100 people, including cubs, their parents and den mothers, are attending the banquet, according to Lloyd Jones, Cubmaster.
