Ski Buffs Practice In Own Back Yard

By ELIZABETH YATES
MI 6-1682

When the Gene Barneys and six-year-old daughter, Deborah of Square Lake Road have the urge to go skiing they don't have to leave the premises.

A few years ago when they built their home on a 3 1/2-acre plot they had ideas of turning the rolling hills into a ski area as a "hobby." Two years ago they began the hobby and now have two tow ropes, snow fences,

lights for night skiing and a snow-making machine. Their daughter donned skis at the age of three while the Barneys have been avid skiers for the past seven years. Barney found his idea quite an attraction to the neighborhood younger set so has taken on the task of teaching these same children.

HE FINDS ample time for this invigorating hobby during the winter months. As a contractor this is his slow season. Last week end the Barneys and

daughter departed for skiing at Boyne Highlands. A week prior they joined friends, Mr. and Mrs. Frank Houser of Birmingham, for seven days of skiing.

They made the rounds of northern Michigan, stopping at Boyne Mountain, Boyne Highlands, Nub's Nob, Avalanche and Shanty Creek. During their tour they encountered many Birmingham-Bloomfield skiers plus a stag area group, Philip Skillman, Edward Chudik, David Underwood and Donald Borgeson.

OTSEGO SKI CLUB was the destination of area ski enthusiasts last week end. On the slopes by day and at the lodge by night for dancing were Mr. and Mrs. William Route of Birmingham, Mr. and Mrs. George Popovich of Foxcroft and Mr. and Mrs. Charles Baker of Beverly Hills.

Mrs. Douglas Pamplin of N. Reading Road will be departing April 4 for a three-week stay with relatives in England. Much of her time will be spent in Doncaster, Yorkshire, in the north of England, where her parents, Mr. and Mrs. S. T. Leach, live.

THE EDWARD BROWNS of S. Westview Court are back home after sunning in the beautiful Hawaiian Islands for a leisurely two weeks.

Oahu was the first of the islands visited on their island-hopping vacation. The fabulous Sheridan Haui Hotel on Maui was their home for two days before a tour of the main island of Hawaii.

While on Hawaii they toured the orchid gardens and the Parker Ranch, second in size only to the King Ranch in Texas. Then back to the beach at Waikiki before their flight back to the United States.

Their third week was spent on the west coast visiting relatives in Los Angeles and a tour of San Francisco.

MRS. DONALD HYDE and daughters, Cindy and Melissa, of S. Reading Road and their foreign exchange student, 17-year-old Samia Eleha of Cairo, Egypt, traveled to Huntington, Ind. for a long week end recently. They were house guests of Mrs. Hyde's mother, Mrs. Paul Taylor.

Samia is a senior at Bloomfield Hills High School and is living with the Hydys for the school year through the American Field Service program. She has found America quite different than what she had expected as her impressions were formed only through the American movies she had (See SKI BUFFS, 2-CC)

Skiing Highlights Month Of Travel for Mrs. Howe

By GLORIA JESSUP
MA 6-3257

Mrs. Paul Howe has returned to her Northgate Road home after a month of extensive traveling. Her first stop was in Sun Valley where she joined nine other ladies for two weeks of skiing.

From Sun Valley she went to Alta, Utah, for five days of skiing on the powder snow and then bid goodbye to her other friends and went to a Francisco for a five-day visit with her parents.

Another five days were spent on the coast with her brother and his family in their Los Angeles home. Two highlights of the last visit were a trip to Disneyland and a party given in her honor which was a get-together of many of her former college friends.

ANOTHER RECENT returnee is Mrs. N. J. Stock of Sunnybrook, Lathrup Village. She and three other ladies from Detroit took three weeks for a leisurely

drive to Florida and back. They spent about 10 days in Florida with home base at Wauchula. They enjoyed side trips to Ft. Lauderdale where they spent two days at the Tropics. Mrs. Stock and her friends were fortunate that it stopped raining the day they arrived in Florida and they enjoyed sunny weather during the remainder of their stay.

WHEN THE Lathrup Women's Club assembled on Monday they honored one of the charities to which it subscribes by having as their guests the Girl Scout neighborhood chairman, the local Girl Scout leaders and the Club Girl Scout representative.

Members of the club and their guests gathered in Fellowship Hall of the Lathrup Community Congregational Church on Southfield Road. Mrs. John Heaton introduced the speaker, Dr. James Fryfogie.

The Birmingham Eccentric

BIRMINGHAM, MICHIGAN
Thursday, March 5, 1964

It was Helen Keller, that beloved and famous American woman, blind and deaf from birth, whose life has inspired countless others to rise above physical handicaps. She once said: "Being blind and deaf to the material world has helped me to develop an awareness of the invisible, spiritual world. I know my friends not by their physical appearance, but by their spirits." Spirit was reflected in her by kindness, affection, gratitude, generosity.
