AGRICO FOR TURF
(10-0-4)
Combination of organic and chemical nitrogen at the lowest price for a well balanced lawn fertilizer.
50-lb. bag \$3.50
For early application, it is hard to beat this product for the LAWN, for TREES and for SHRUBS. May be used before the grass begins to grow without fear of burning—thus saving money and getting the first fertilizer application out of the way before the golf season starts.

The answer to Crabgrass—before you see it!
Agrico Pre-Emergence Crabgrass Control
Now is the time for effective action against Crabgrass. An application of granular Agrico Pre-Emergence Crabgrass Control sets up a barrier in the soil that kills Crabgrass, Goosegrass, Foxtail and similar seedlings as they sprout. The dry granules of this preventive can be effectively applied right up to the two-leaf stage (when Crabgrass is about 1-inch high). So safe to use, it can be applied on flower and shrub beds. In fact, it's beneficial to mature lawn grasses. Spread yours today.
25 lb. bag from \$2.95 to \$5.95
Although "now is the time" it is BETTER to wait until your lawn has been cleaned and fertilized BEFORE you apply the AGRICO PRE-EMERGE.
Just BE SURE to apply it BEFORE MAY 1st.

Opel Kadett is no toy!
There's nothing to play with. The chassis has no lube points. It doesn't require lubrication. Even the seat belts come installed. They're standard equipment. You won't play around with a lot of gas either. 8.7 gallons fill it. The warranty has some fun in it though. General Motors is behind you for 24-months/24,000-miles. The Opel corners like a scooter and parks like a little red wagon. But if you think it's a toy, go wind one up.

BRIDGE in BIRMINGHAM

BY BUD MAYBAUM
Southern Michigan Bridge Association
Today's very interesting bridge hand was recently played at the Birmingham YMCA, and you can well ask, did you get to the right contract? Goldie Beal, playing with Hilda Murphy, did arrive at the right contract and did get the top hand.
Many hands with a short suit may better play at no trump rather than the suit. Hilda believed her partner, even though she had a singleton; allowed Goldie to place the contract.

Many South players insisted on a six diamond contract, and when West opened with the jack of clubs, all was lost. However, Goldie found herself in the higher-paying contract and a contract quite easy to bring in.
DON'T FORGET that this evening is the men's team and woman's team game at the Detroit Leona Hotel. This will be followed by the men's pair and woman's pair Friday afternoon and the mixed pair Friday evening.
Saturday is the two-session open pair, with the addition of a novice pair in the afternoon and the limited pair in the evening, as well as the consolidation in the evening. Sunday is the master's team of four in two sessions.
Two weeks later will be our Southern Michigan Bridge Association tournament at the Clinton Gables Hotel in Mt. Clemens. This is always a gala affair, with cocktail parties, continental breakfast on Sunday and dinner on Saturday. Contact me for partners and further information about this tournament.

Petition Seeks Auditorium At Seaholm
The Seaholm High School Student Congress has petitioned the board of education to build an auditorium at the school.
In a letter to Principal Ross Wagner the student organization said they had passed a resolution to establish a movement to erect an auditorium.
"It is our opinion the lack of an auditorium in both this high school and the city as a whole represents a major weakness in the community."
"AN AUDITORIUM was originally planned in the construction of Seaholm but was never built because of other needs."
In an effort to begin a movement for the structure the student congress has established an "Auditorium Fund" with an appropriation of \$100 and a provision for an annual contribution.
Seaholm's dramatic club, Proscenium, has also contributed \$150. E. Ross Hanson, school board president, said officials would take the matter under consideration during budget discussions.

Series Will Conclude With Clebanoff Strings
The Community Concerts Association of Southern Oakland County will present the last concert in the 1963-64 series at 8:15 p.m. Saturday at the Oak Park High School Auditorium.
The Clebanoff Strings is an instrumental ensemble of 16 strings, piano, accordion, percussion and harp, directed by Herman Clebanoff.
In 1967 when Clebanoff originated the group, it was a daring, experimental move on his part because this type of chamber ensemble, though popular for centuries on the Continent, was all but unknown in this country. The debut of these top instrumentalists with Clebanoff as the conductor and solo violinist in Chicago was received with immediate and overwhelming enthusiasm.
BORN IN CHICAGO, director Clebanoff began his musical training as a violinist at the age of five, making his recital debut two years later. Joining the Chicago Symphony Orchestra at the age of 20 as its youngest member, he subsequently became concertmaster of the Illinois Symphony.
The first tour of the orchestra under Columbia Artists Management was such a success the orchestra was reengaged to appear in key cities throughout the country. Clebanoff has been featured on national TV shows and has made 14 albums on Mercury records.
Anyone wishing to join the association and go to the concerts next season (admission is by membership card only) may attend
