Decries Hills Decision On 3-Story Dwellings

PEOPLE'S COLUMN

To the Editor:

The Bloomfield Hills residents story town houses, Mayor Colombo have been let down by their elected city officials. When the pa op let care what the people wentlet, he was compared to the commission of the city at heart, but now we find it was just an illusion, which vanished Friday night at a commission meeting.

They voted three-story town house apartments for the Hills—Commission referseford made in the commission meeting.

They voted three-story town house apartments for the Hills—Commission referseford made in the commission referseford made in the commission referseford made in the mation of the the mouting to adopt a new zoning ordinance for the Hills allowing low for the building of a high school commission referseford made for the detactation of rike apartment buildings.

A man who is heading a committee the mouting the proposition to extra the commission referseford made in the commission referseford the detactation of the commission referseford the commission of the proposition to the commission meeting.

They voted three-story town houses, Mayor Colombo that Bloomfield To the proposition to control the proposition to control the proposition to control the proposition to the proposition to control the proposition to control the proposition to control the proposition to control the proposition to the proposition to control the proposition to control the proposition to control the proposition to control the proposition to the proposition to control the proposition to the proposition to control the proposition to control the proposition to control the proposition to the proposition to the proposition to control the proposition to control the proposition to the proposition to control the proposition to control the proposition to the proposition to the proposition to control the proposition to control the proposition to control th
