Find Preview of Summer—in Florida

By ELLI BLAUMAN

Some of our Beverly Hills people have been getting a sneak preview of summer by traveling south.

For example, Mr. and Mrs. Anthony Foley of Vernon Drive have just returned from one month in Florida, spending two weeks in Key West. While in Key West, which they have visited before, the Foleys made a tour of the Ernest Hemingway house, and Mr. Foley went deep sea fishing.

Golfing at every opportunity, the Foleys drove through Palm Beach, Hollywood and Miami. While in Ft. Lauderdale, they visited Mr. and Mrs. John C.

Evans, formerly of Woodhaven Drive. At St. Petersburg, the Foleys were the guests of Mr. and Mrs. Jesse Spencer, also former Beverly residents.

RETURNING TO their Buttonwood Court home after two weeks of 80- to 90-degree weather in Miami Shores, Fla., to one of Michigan's unexcelled snowstorms were Mr. and Mrs. Eugene B. Lasko and five-year-old Mark.

Mark, who took a leave of absence from his kindergarten class at Valley Woods School, had an especially good time since they were the guests of his grandparents, Mr. and Mrs. D. J. Lasko.

The Laskos, who flew down and back, made the most of their visit

by fishing, swimming, taking boat excursions, visiting Marineland, and touring the Miami estate of John Deering.

MR. AND MRS. Clair DuVall of Lauderdale Ave. were also recent visitors to Florida, calling their stay at Sugar Loaf Keys the highlight of their trip.

The DuValls also spent some time at Pompano and stopped at Clearwater to visit relatives.

THE TED SURAS of Chelton Drive recently spent eight days in Nassau to attend a lawyer's seminar, but managed to do some sightseeing as well.

They went to Paradise Beach, took an excursion in a glass-bottomed boat, went catamaran sailing, saw a little of the island's night life, and Ted even went scuba diving in the ocean.

When the Suras returned to Michigan, they picked up sons Ted, Jr., 9, and Scott, 7, and their ski equipment for a few days at Boyne Mountain to enjoy the tag end of the season, returning home last week.

ALSO HOME from the southlands are Mr. and Mrs. John Gates of Sheridan Drive who

spent nearly three weeks at Fort Bragg, N. C., visiting their daughter Katherine and nonn-law Major Charles Beck with and granddaughters Constance and Margaret.

Since they were so close to both the Pinehurst and Southern Pines golf courses, Mr. Gates was able to jump the golf season a bit before returning to Michigan one day ahead of the March 10 blitz.

MRS. KEVIN Whiting and young son Stephen had a recent five-day vacation in Chicago visiting her parents Mr. and Mrs. Ted Pracki.

Mr. Whiting arrived to join them as scheduled, all returning to their Buckingham Road residence on Sunday evening.

AS A PART of his ninth birthday celebration, Stephen Carey joined his guests on an Easter egg hunt at his home last Thursday. There for the fun were Bill Thompson, Robbie Nance, Bruce Mayle, Terry Gilmo, Blair Shurtleff, Mike Ricelli, and Stephen's brother, Doug.

Stephen is the son of Mr. and Mrs. Ralph Carey of Sheridan Drive.

Mr. Ted Shurtleff, highest vote getter in our recent village election, wishes to thank everyone who ventured out in the bad weather to cast a ballot.

Our thanks for a job well done

Ski Costumes Prompt Thoughts of Easter Bunny

By GLORIA JESSUP

The Easter Bunny could not have painted a more colorful set of scenes than the ones seen most recently on the slopes at Boyne Highlands, Nub's Nob and Boyne Mountain. Many area residents were seen skiing in all shades of greens, yellows, pinks, reds and blues.

And, when we think of Easter we not only think of color but we think of stylish chapeaus. No one could have been more "cool" or up to date than Dr. Jerry Fink. He wore a cocoa brown "Beate" wig, which of course co-ordinated with his other ski attire.

ALSO ENJOYING the ski circuit to you too, Mr. Shurtleff!

SUSAN VIGI, daughter of Mr. and Mrs. Leo Vigi of Leemoor Drive, celebrated her 13th birthday last month by taking a train trip to Kalamazoo where she spent the week end with her brother and sister-in-law, Mr. and Mrs. Leo Vigi, Jr.

cut were recent returnees from Aspen and Vale, Mr. and Mrs. John W. Stoutenburg of Thorncrest Drive. The Stoutenburgs were accompanied by Mr. and Mrs. P. T. Lahti of Bloomfield Village and Mr. and Mrs. Don McGinnis of Royal Oak.

Combining business and pleasure were Mr. and Mrs. Robert Stoneking of Lone Pine Road. They have returned home following a long week end in Cincinnati, O., where they visited friends.

WHEN YOU OWN your own plane you can decide to hop down to Florida any old time—providing weather permits. So, on a recent week end, it is just what the Charles Bays of Quanton Road did.

Accompanied by their son, Bud, and Mrs. William Flanders, former resident of Franklin Road, Solon Lake, now of Ortonville, Mich., the quartet flew to St. Petersburg for a visit with family of the Bays and their clearwater to visit Mrs. Flanders' mother.

Back to the colder clime and the slopes again were Mr. and Mrs. Shatz Pochelon of Muir Lane. They spent the week end skiing at Otsego with their guests, the Water Stecker family of Wing Lake Road.

SODON LAKE residents Mr. and Mrs. Robert Winter returned recently from a trip to Spain. The Winters of Pine Tree Trail had spent two and one half weeks touring after Mrs. Winter joined Mr. Winter who had flown over previously for business.

Mrs. Winter stopped in London for a visit with former Solon Lake neighbors Mr. and Mrs. Kenneth Burmaster and then the Burmasters joined the Winters for a week's vacation before the Winters returned to the area.

Back on the home scene, Mr. and Mrs. Fred Elber of Pine Tree Trail entertained about 24 at a cocktail party preceding the recent Highlanders Dance Club dance held at Meadowbrook Country Club.

THE LADIES of the Glencoe Estates branch, WNFCA, learned how to complement their new Easter outfits with the proper makeup when they gathered Tuesday evening at the home of Mrs. Robert Ward on Burnham Road.

Conducting the informal demonstration of Beauty Counselor products were local residents, Mrs.

Karol Darling of Woodland Pass and Mrs. Mary Katherine Finch of Oakleigh Drive.

Courtesies were Mrs. Ronald O'Connor and Mrs. Ronald Horvath.
