

Three Events Star Calendar at DAC

Plans are completed for Detroit Athletic Club's traditional Easter festivities and new reservations are arriving in a steady stream for three functions.

First is the March 28 Easter Eve Fathers and Daughters Party. Time is 12:15 p.m. in the club's swimming pool quarters for the aquatic exhibition and at 1 p.m. for luncheon in the gymnasium and the Postchartrah Room. The wind-up stage show will be in the gym, where Buddy LaCombe and his orchestra will play through the party.

That same night the DAC will open its Easter dinner dance floor show, presenting singer Lori Wilson and a trio of jugglers billed as The Three Hoses. The gala continues through April 4 (except Sunday and Monday.)

TRISH KELLEY, daughter of the Bethel E. Kellys of Henley Drive, Birmingham, will be hostess to some 30 friends opening night to honor three of her Wellesley College classmates who are to be her house guests for Easter week-end. Mr. and Mrs. Kelley also will entertain a half-dozen friends at their table.

Trips will arrive March 20 from senior year studies at Wellesley. Her guests, coming a few days later, are Lowell Bellin of Washington, D.C.; Nancy Rice of Columbus, O., and Lynn Dixon of Gabb, Nev.

DAC's third Easter event will be the Easter Sunday family day, with literally hundreds of parents and children coming for buffet dinner from noon to 8 p.m. Exciting feature for the children will be the repeat exhibition of last year's popular display of live chicks, ducks, bunnies and "Mary's lambs." Baskets of colored eggs will be given the youngsters.

In charge of the various social affairs is the entertainment committee including chairman Peter J. Koenig and Birminghamites Clyde P. Crain, Jr., and William A. Prév. Others are Frederick A. Kaiser, W. Harold Lightbody, Mackinnon Scott, Jack A. Tompkins and Emmet E. Tracy, Jr.

Teen of the Week

A 4.226 grade point average out of a possible 4.0 seems hardly possible, but Bob Swanson has accomplished this scholastic feat during his four years at Seaholm High School. The recent winner of a \$6,000 scholarship to Michigan State University, Bob is valedictorian of his class. At State, he will major in political science, a requisite for a law degree and his eventual plans for a career in politics. As chairman of the auditorium committee, Bob is already getting initiated into the fine art of politics as he campaigns for the building of an auditorium for the school. Bob displayed his journalistic talent as editor of The Highlander, school newspaper, last year, and this year he is sports editor for The Piper, school yearbook. Other activities of the busy senior include Boys' State representative, member of both the Student Congress House and Senate, American Field Service Committee member, and active in the Political Affairs Club. Bob is the son of Mr. and Mrs. Robert Swanson, 915 Norwich, Birmingham.

Northbrook PTA to Hear About Science

Parents of the students at Northbrook School will have the opportunity to learn about the scope and sequence of the new elementary science curriculum on Tuesday, March 24. Sponsored by the Northbrook PTA, the meeting will begin at 8 p.m.

As part of the program, members of the science curriculum committee will discuss current trends in science education. They plan to present, in addition, a large display of books and supplementary material used by the classroom teachers in implementing the new program.

THE SCIENCE PROGRAM was developed as part of the continuing re-evaluation of the overall elementary courses of study. The curriculum revision is under the general supervision of Mrs. Helen McIntyre, Director of Elementary Education. Northbrook teachers involved in the science program are principal Robert Riggs, Richard Kurbie and William Deeter.

A question and answer period will follow the presentation and teachers will be available later in the evening to answer individual questions. At this time parents are invited to have a cup of coffee and browse through the materials at their leisure.

Engaged

Mr. and Mrs. Nicholas Gray of Bloomfield Hills have announced the engagement of their daughter, Elizabeth Ann, Frederick William Schlegel son of Mrs. Michael Verbanic and John I. Schlegel of Detroit. The bride-elect attended Birmingham High School, Ecole Brillantmont, Lausanne, Switzerland, and Briarcliff College, Briarcliff Manor, N. Y. Her fiance is a graduate of Spring Hill College, Mobile, Ala. A July wedding is planned.

Torch Drive Picks Solicitation Head

Robert S. Olson, 1100 E. Glengary Circle, Birmingham, chairman of the board of the Ford Motor Credit Co., has again been named to head the solicitation of business placed in Western Wayne County for the Torch Drive.

As unit co-chairman for business solicitation, Olson led a group of business and professional men in canvassing all the smaller business establishments in that part of Wayne County lying West of Detroit. They raised nearly \$40,000, or 109 per cent of their assigned quota.
