BIRMINGHAM telephone lines

By R. L. KILPATRICK, *Manager*

IT DOESN'T HAPPEN OFTEN, but occasionally one of our customers will accidentally dial the wrong number when making a Long Distance call direct. If this should ever happen to you, be sure to ask the person who answers for the city and the number you have reached. Hang up for a moment, then dial your Long Distance Operator and report the city and the wrong number to her. This will keep the charge from appearing on your next telephone bill.

CAN'T FIND A BABY-SITTER FOR THE DAY? Never mind. You can stay home with the children and still get your day's shopping done . . . by telephone, of course! Amazing how many errands your phone can run for you. Try it next time you are busy at home, or the weather's bad.

"NO CHARGE, MA'AM!" Here's a repairman who never sends a bill. He's your Michigan Bell telephone man and his repairs are included in your service at no extra charge. But chances are you rarely need to call him. Today's telephones are that trouble-free! And they're improving all the time. Our goal is to bring you dependable service that remains low in cost while becoming ever more valuable and pleasant to use.
