

**SPORTS FANS!**

**BET YOU DIDN'T KNOW**

By Dick Turner  
Do you have any idea how long ago Little League baseball was started, and do you know the name of the man who invented it? . . . The Little League movement was founded 25 years ago . . . It was in 1939 that Carl Stotz of Williamsport, Pa., thought of, and started the first Little League.

One of the most famous terms in sports is the "daily double" in racing. . . . But, did you know that the daily double was invented just a little more than 30 years ago? . . . And, did you know that it was started, not in the U.S., but in Canada? . . . The man who invented the daily double was named Leo Dandurand, a Canadian. . . . And, the first track to use the daily double was Connaught Park in Ottawa in 1930. . . . They really started something, didn't they?

Did you ever wonder where the word "golf" came from? . . . Although golf was developed in Scotland, it was the Dutch who gave the sport its name. . . . The word "golf" is a Dutch word meaning a club with which to hit a ball.

I bet you didn't know . . . that for Spring and Summer driving your family would enjoy a new Ford Convertible. . . . Step in today and choose one from our large selection.

**Jumping to A Championship**

Richard Schuster (above), 16-year-old son of Mr. and Mrs. Paul Schuster of Cornington Rd., Birmingham, captained a team of junior riders to the Michigan Junior Olympic Team Championships in the final Team Horse Show of the season Saturday at the Grosse Pointe Hunt Club. Dick and his team rode for Stony Creek

School. Pam Evans had the fastest time in the 'B' class, while Maria Lott won reserve honors for Duffield's 'C' team. The "Cannibals", Nancy Greenleaf, Diane Burlingame, Priscilla Yuchartz and Carolyn Scherer won the Junior Olympic title in 'C' division for Kientner Riding Academy.

**Annual Huron Relays Open '64 Track and Field Year**

It seems that one sport finishes and another moves in to take its place, just like the seasons of the year. . . . AT LEAST SIX area schools will be competing in this massive cinder spectacle that features 60 Class A institutions. . . . Class B schools will compete in preliminaries at 2 p.m. Friday, followed by the field events at 6 p.m. and the finals of the running events at 7 p.m.

Class A schools will compete Saturday, preliminaries set for 1 p.m., field events at 6 p.m. and track events at 7 p.m. All events will be staged in Bowen Field House on campus. . . . Seaholm, fifth-place finishers last year in a meet that attracts schools from Cleveland and Mansfield, O., has strong contenders in some events.

"I THINK we're going to be ready to go and we should do well in some phases of the meet," coach Kermit Ambrose said. . . . Brother Rice, Groves, Bloomfield Hills and Southfield will also battle in Class A, while Cranbrook will enter Class B. . . . Seaholm has entered teams in the distance middle, sprint medley, mile relay and two-mile relay. Jim Olson will compete in the open mile and Howard Dubin in the 60-yard dash.

THE MAPLES have also entered two-man teams in shot put relay and pole vault relay. Bruce Waha, Redford track and field coach, is meet manager.

**2 Women Bowlers Convert Tough Split**

It's not very often a bowler converts the 4-7-6-10 split. When two bowlers make "double pinches" within 24 hours, that's really news. . . . Mary Van Fleet, a 120-average bowler, made the difficult shot at Birmingham Bowl March 10. The following afternoon, Betty Banes, converted the split at Birmingham Bowl in the Junior House League. She carries a 129 average.
