

Barnum Club Plans Annual Dinner Night

By JEAN GIBNEY
Special Writer

Barnum's International Club teamed with plans and ideas at the Monday afternoon meeting, March 16. The club is planning its annual dinner called Cava Buena, on May 11. Every member will bring some type of foreign food to the banquet.

Besides the international cookery, the entertainment field will be widely varied. Guitar players, piano solo, an ensemble and other entertainment is in store for all who attend. The tickets will be sold at \$1 per plate and may be obtained from club members.

THE BARNUM Presidents' Club held a meeting during seventh hour classes Friday, March 13. After calling the group to order, Chairman Peggy Christensen led a discussion concerning the Presidents' Club dance to be held in April. Committees were formed to center around a Bermuda theme.

Coach Stoll was happy with the turn out for the track team last week when 42 boys started training for the new season. While working in the gym they did calisthenics, hurdles, sprints and high jumps. They will work at Barnum until

'Happy Breed' Looks Very Mad

The four players on this picture certainly don't fit the name of the play. Groves students (from left) Paul Granader, Jamie Easterbrook, Craig Carpenter and Jamie Upward rehearse their roles for the school production, "This Happy Breed." Judging by the looks on their faces, it's not one of the happier moments in the story.

Barnum has a new intern teacher this semester in the Social Studies department. Mr. Allison, an Indonesian student from Wayne State University, is now teaching assistant to Mr. Bird.

AS AN INTERN teacher, Mr. Allison has brought several foreign visitors to speak at Barnum. Among them was Arfin Arjard, an Indonesian student from Wayne State University.

Most students of chess agree that the game was played in India at least 1,800 years ago. It is probable that it grew out of an even older game, and some historians have traced its origin in Persia. The word "chess" can be traced back to the Persian word, Shah, meaning "king."

PLYMOUTH WINS AT RIVERSIDE

BEATS FORD AND CHEVROLET IN 9 OUT OF 10 TESTS OF SHOWROOM CARS

"Test Track, U.S.A."—Report #4

Wins acceleration, handling, braking, gas economy—"things you buy a car for." Plymouth also costs least and carries the only 5-year/50,000-mile warranty*

Riverside triumph gives Plymouth "grand slam!"
After stunning victories at Sebring, Florida, Raceway Park in Indianapolis, and Watkins Glen, N. Y., a 1964 Plymouth Fury once again beat a 1964 Chevrolet Impala and Ford Galaxie "500" in 9 out of 10 official tests at Riverside Raceway, Cal.
The cars were showroom models with standard V-8 engines (not the big jobs, like the maximum performance "426" that powered Plymouth to a 1-2-3 sweep of the Daytona "500"). And the tests were of "things you buy a car for"—acceleration, handling, braking, gas economy. As the results box shows, Plymouth accelerated best, handled best, braked best, and got the best gas mileage.

The results box shows one other thing: Of the three cars tested, Plymouth costs least. If this is the year you picked to buy a new car, you picked a beautiful year to Get up and go Plymouth!

**As opposed to Riverside tests, all cars in Daytona event were competition-equipped.

*HERE'S HOW PLYMOUTH'S ENGINE AND DRIVE TRAIN WARRANTY PROTECTS YOU: Chrysler Corporation warrants for 3 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1964 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

20 Cranes Take First Merit Exams

By DOUGLAS LIEBERMAN
Special Writer

On Tuesday, March 10, 20 students of our junior class took their first National Merit Scholarship Qualifying tests. High scorers will be notified this spring and a selection of the top students will be advanced as semi-finalists. Next year, their records and College Board Scholastic Aptitude scores will be used to determine finalists, who are then eligible for scholarships to the colleges of their choice. Last year our highest score on the Qualifying Test was 162.

THAT FRIDAY evening, the newly formed Dad's Club held their first annual athletic awards dinner. Mr. Dearth presided, and Mr. Peter Slader presented the awards, vantage letters to outstanding athletes in the winter sports program and three managerial letters. Guest speaker was a Terry McDermott, the only winner of a gold medal for the United States in this year's winter Olympics. He spoke to us briefly about his career, and a film was shown of the speedskating race which he won. After the film, the stage was cleared and the Cranbrook Glee Club presented a short preview of this year's musical, "Lil Abner." The following Friday and Saturday, "Lil Abner" was given its official performances. It was a tremendous success, due largely to the enthusiasm of the Glee Club and the able directing of Mr. Walter Read.

THIS WEEK it was announced that the Cranbrook Board of Directors had chosen Robert M. Sandoe as successor to Harry D. Hoey, present headmaster. Mr. Hoey announced last year that he planned to retire in 1964. Mr. Sandoe has served as headmaster of schools in the Philippines and Texas.

The father of Cleopatra has one claim to fame other than his celebrated daughter. He was one of the greatest flute-players of his era. Historians usually identify him as Ptolemy Auletes, or Ptolemy the Flute-Player.
