

Model Senate at Marian-Br. Rice

By KATHLEEN DARGA
Special Writer

Forty-five Marian students will participate in the Model Senate to be held at Brother Rice High School under joint sponsorship of Brother Rice and Marian social studies departments.

The two major issues to be discussed are the tax cut and civil rights bills. Each senator is connected with a particular bill and must represent the stand of his Washington counterpart.

SENATORS FROM Marian include: Beverly Birger and Diane Atkinson, Alaska; Loretta Novicela and Constance Wino, California; Barbara Metz, Hawaii; Margaret Secoy and Mary Ann Walker, Idaho; Patricia Neiswander and

Cynthia Nevean, Indiana; Diane Veltman and Sue King, Louisiana; Mary Frances Gray and Maureen Conlan, Maine; Cheryl Sauvage and Mary Lou Cloutier, Missouri.

Others include Margaret Conklin, New Mexico; Kathleen Sullivan and Catherine Sheils, New York; Mary Beth Reardon, Oregon; Judy Grier and Annette Tisdale, South Caro-

lina; Mary Cavanaugh and Carol Bala, South Dakota; Cathy Ambrosiano and Beth Alderico, Vermont; and Judy Goode and Kathleen Doyle, Wyoming.

Marian students are also serving on several committees striving toward authenticity and efficiency in the Model Senate. Patricia Benedict, Kiame Koch, Susan Ruetter and

Sarah Ragalji are on the Bills Committee; Cathy Monge, Karen Yasley and Diane Lepo are on the Secretariat; and Paula Kocina is in charge of decorations. Christine Rock is Senate Secretary.

To exert pressure on Senators, lobbyists have been selected to "represent" such interests as the American Civil Liberties Union

and business concerns. They include Ellen Brooks, Kathleen Dargas, Martha Dunbar, Linda Gibson, Mary Rose Lamb, Virginia Latimer, Maureen McGowan, Patricia Schmitt and Mary Skowik.

Faculty moderators for the Model Senate are Mr. Murphy of Brother Rice, and Sister M. Veronica of Marian.

AS THE FIRST project of freshman-apiritual council representatives, a soap drive was being conducted just before Easter to benefit the Detroit missions of the Little Sisters of the Sick Poor.

In charge of the school-wide drive were Nancy Armstrong, Darlene Bruce, Lynn Burnett, Karen Parabaugh, Aimee Hoes, Gail Kattzer, Maureen Savage and Margaret Wyles.

The sophomore sodality is conducting a used book and magazine drive through April 10 to benefit Our Lady of Victory School and other organizations including the Sara Fisher Home and Carmel Hall. Under the chairmanship of Mary Ann Matthews, Lavrene Hapal and Jane Wilson, members will direct

the drive through homerooms. Pamela Gwynn, with alternate Christine Rock, represented the Marian group of Gabriel Richard Leadership Course students at the Gabriel Richard Institute, held March 22.

Speaking on modern civic problems were representatives of over 40 groups of adults. Marian was one of the two teen age sections represented.

MISS ROSEMARY Corno, mathematics teacher at Marian, was selected to participate in the 1964 Summer Institute for High School Teachers of Mathematics sponsored by the National Science Foundation at Case Institute of Technology.

Mary Beth Reardon, a Marian senior, was awarded a scholarship to Gwynedd-Mercy College of Gwynedd Valley, Pennsylvania, where she will study nursing.

Soap was probably the first of the synthetic, or man-made chemicals, but it is still not known where or when it originated. The earliest description of soap as a washing agent appears in the writings of the Greek physician Galen, who lived in the second century, A.D.

Whenever there's a fire, he drives the truck for the Franklin Village Volunteer Fire Department. In more peaceful hours, he helps his neighbors with mortgage loans, checking and savings accounts, business financing, money for a hundred different purposes. (We even financed the fire truck!)
