

City Rejects, OKs Proposals For Fund Drives

Birmingham commissioners acted on three separate requests from charitable organizations wanting to carry on activities in the city during May.

Commissioners approved a request to set up a demonstration by the Leader Dog School for the Blind of their training techniques on Henrietta Street between the alley and Maple Ave. The street will be closed from 9 a.m. to 3 p.m.

The Birmingham Lions Club is sponsoring the program. S. Terry McGraw said the demonstration is part of the observance of White Cane Week, April 26 to May 2.

He said in addition to the leader dog personnel, representatives of the Lions Club would be on hand to provide information regarding the club's activities in helping the blind and to solicit any donations people may care to offer.

In keeping with city policy to limit fund drives to one a month, commissioners rejected a request from the Blind Service Center, Detroit, to conduct a fund drive in Birmingham on May 16.

City Manager L. R. Gare said that the Blind Service Center has not been licensed by the state to solicit funds.

A request by the American Legion was sent back to the organization with the recommendation that it be resubmitted with another date in mind for the annual sale of poppys.

The Legion had requested May 21 be set aside as Poppy Day in Birmingham with the alternate dates of May 22 and 23 in case of bad weather.

In addition to the conflict with the Lion Club program, commissioners felt it was not a good idea to have an organization soliciting funds during the Centennial-Michigan Week observance.

Lawyer Seeks Nomination as Circuit Judge

He has been elected twice to fill the office of Justice of the Peace in Waterford Township and is presently serving in that capacity. He is a member of the Oakland County Judicial Association.
