**Buells Accompany Seniors On Trip to Washington**  
 By ELLI BLAUMAN MI 7-1465  
 Returning to their Kirkshire Road residence last Saturday after visiting Washington, D. C., for the eighth consecutive year were Mr. and Mrs. Charles Buell. If you find yourself wondering just what it is that takes the Buells to our nation's capitol year after year, the fact is that they accompany the seniors from Groves and Seaholm high schools on their annual trips. This year, however, the usual holiday air of the trip was not in evidence when the group visited two recent gravesites at Arlington National Cemetery. A wreath in memory of Capt. Michael Groves, who was to have met the seniors on this visit, was placed on his grave. Due to the freak snowstorm, Washington had its first snowy Easter in years, hampering the sightseers somewhat since their clothing and the weather did not jibe. After seeing some of New York City's high points, the group returned in time to get squared away for Monday's classes. Mr. Buell teaches English at Seaholm. Diane Herpel, a senior at Marian High School and daughter of Dr. and Mrs. Henry J. Herpel of Ingleswood Drive, was hostess of a dinner party last week. Guests were Craig Chick, Elizabeth Bridge, Laurel Kohl, Norman Koltys, and John MacAloon. DR. AND MRS. Willard White, Christine and Ronnie of Hillcrest Blvd. visited Dayton, O., after Easter, returning last Friday. While there, the Whites stopped at the University of Dayton where Christine, a senior at Marian, has applied for admission next fall. Mrs. White is cochairman of the 28th annual meeting of the Woman's Auxiliary to the Mich-

igan State Dental Association which will take place at the Sheraton Cadillac Hotel next Monday and Tuesday. While their husbands are meeting separately, members of the Auxiliary have their own program which will include a luncheon, theatre party, hat auction and installation of officers. SEEN DONATING blood to the Beverly Hills Blood Bank last Thursday about 4 p.m. were Mrs. William Brooks of Eastlady Drive, Mrs. Ted Shurtleff of Sheridan Drive, Mrs. Burton J. Schimpke of Pinewood Road, Mrs. John Champagne of Bellvine Trail, Mrs. Leon Ricelli of Amherst Road and Mrs. Ford C. Rea of Sleepy Hollow Lane. The many volunteers who worked behind the scenes to make this year's drive a successful one included Mrs. Donald Custance, Mrs. David Mutchler, Mrs. Vincent Menager, Mrs. Henry Z. Sompowski, Mrs. Richard Varley, Mrs. John Varley and Mrs. Thomas Knight. Ruth Brunk, daughter of Dr. and Mrs. Perry E. Brunk of Kenosway Court returned last Sunday to Peacham Academy in Vermont after spending her spring vacation at home. Over the Easter week end, the Brunks entertained Dr. and Mrs. Wilfred Brunk of Lima, O.

A VISIT to Chicago during the Easter vacation was made by the Clarence Manlex family of Amherst Road. Douglas, Marcia, Brian and Jeffrey accompanied their parents to such points of interest as O'Hare Airport, Shedd Aquarium, the Institute of Science and Industry, and the Institute of Natural History, however, when Mom and Dad visited Gene Autrey's Sahara Inn, they went alone. While in Chicago, the Manlexes visited former neighbors Mr. and

Mrs. Frank Mueller, who moved there three years ago. THE KENNETH Kittle family of Westlady Drive entertained a guest from Lostock, England, Easter. Mr. Morley, a business associate of Mr. Kittle, accompanied the family to Easter services and was included in a family birthday celebration. Mr. Morley, who travels extensively was impressed by the health and stature of America's youth which he felt surpassed any in the world today, also remarking that the rate of milk consumption in this country is higher than any he had seen elsewhere. INSTEAD OF their regular meetings, Cadette Scout Troop 988 at Our Lady Queen of Martyrs School is receiving seven weeks of instruction in first aid, after which they will receive certificates attesting to their proficiency. Their troop leaders are Mrs. Edward Anzick, Mrs. William Shaughnessy, and Mrs. Harry Kirk.

The Business and Professional Women's Club of Birmingham will attend a personal development conference at Ferris State College on April 18. Attending from Beverly Hills will be Mrs. Harry Kirk who will model clothing and spring hats which she has made. MEMBERS OF the student council at Marian High School have been busy in recent weeks, preparing for their annual spring dance tomorrow evening, and the girls are exercising their Leap Year prerogative to invite escorts to the affair. A few of the many in charge of arrangements are Sue Trombley, Pam Gwynn, and Les Mahler.

 Introducing  
 A Man and His  
 Talents . . .  
**Mr. Andre Marosy**

Born in Budapest, Mr. Marosy achieved a special talent at an early age to create jewelry. His talent soon called him to Paris where he gained national recognition for jewelry designing. Mr. Marosy's twenty years was spent in France, the world design center, was only interrupted by 2 years in North Africa, Oran and Alger where he studied filigree work. His interest in varied styling then called him to South America where he spent the next six years in weaving designs around the gem stones formed by nature in that area. Again his quest for knowledge finally brought Mr. Marosy to New York City where he started his own manufacturing plant, but this was too routine for him, one model for thousands of stores did not appeal to him. Mr. Marosy is only content when he can create one of a kind design for each individual.

Connolly's will bring the finest to you in custom designs for all jewelry. There will be no request too great for our abilities or no job too small for our interest. You are invited to come into any Connolly's to view some of Mr. Marosy's designs at no obligation.
