BLOOMFIELD SOUTH
6 Area Couples Aid Charity Project

By ELEANOR NELSEN MI 7-9056

"The Big Band Sounds of the '40's" is the name given to the affair being presented by the No-Man Charities at the Armenian Cultural Center on Friday.

Among those in the area working on the project are Mr. and Mrs. Robert Reason, Mr. and Mrs. Jack Gillespie, Mr. and Mrs. Ted Monahan, Mr. and Mrs. Robert Bryson, Mr. and Mrs. Terry Nagle and Mr. and Mrs. James Connelly.

The No-Man is a group of men who banded together a decade ago for the prime purpose of providing help for unfortunate people. They have no organizational backing and to a member of the group one must be able to give personal assistance rather than financial.

Starting out on a small scale, they in the past years have provided such things as clothing and food for people who have had temporary setbacks and are too proud to accept charity.

RECENTLY they were responsible for providing the necessary dental work an adult needed and last year provided a youngster with an eye operation. Many wonderful things have come to be because of the efforts of these men who until now have gone quietly about their philanthropic endeavors.

This is the first time they have attempted to present an affair by which they may realize profits with which they can do more for the unfortunate. Tickets will be available at the door the night of the party.

WORKING AROUND like a whirlwind April 2, Mrs. Carl

Krueger of Jackson Park Drive hosted a tea for a friend, Mrs. Elliott Eckert who had returned to the mainland.

The Eckerts have resided in Kaneohe Bay of the Hawaiian Islands for the past 20 years and are taking a vacation to Mexico. They came to Detroit to spend several days visiting with Mr. Eckert's father.

Mrs. Krueger decided this was an ideal time to gather together Mrs. Eckert's former school chums and their youngsters, Karen and Marygrove for a reunion.

After a busy session on the phone, Mrs. Krueger was able to contact 14 of the women who were able to attend the tea.

THE KRUEGERS just returned from their fifth trip to the Islands. On this vacation they spent a month on Maui, returning to Michigan in time to spend Easter with their family. They gathered at the DAC which portrays "Down on the Farm" at Easter time.

Mr. and Mrs. Richard LaDue and their children Ricky, Jim and Cheryl, were in the party as was Mr. and Mrs. Carl Krueger, Jr. and their youngsters, Karen and Kathy. Also with them was Mrs. Roy Perot.

Today a luncheon will be held in the home of Mrs. Thomas LaVeck, 6728 Whysall, with Mrs. Donald Hillier as the guest of honor.

Sharing hostess duties will be Mrs. John Lawick and Mrs. Michel Lukon. Mrs. Hillier recently completed a nursing course at Sinai Hospital.

The guests who each brought a frilly handkerchief, to the luncheon for Mrs. Hillier to tuck into

the pocket of her uniform were Mrs. W. G. Tomlinson, Mrs. Thomas Davidson, Mrs. Robert Shegal, Mrs. Frank Czarniecki and Mrs. Dwight Owen.

Others were Mrs. Jerry Melik, Mrs. Jack Greenblatt, Mrs. Robert Denholm and Mrs. Frank Wickham.

JUNIOR TROOP 450 of the Girl Scouts entertained a Brownie troop in the Meadowlake School on April 6 in way of encouragement towards bigger and better things to come in the organization.

Their show was broken down into four categories of which the girls were completely in charge of presenting. There was a pet demonstration in which the poodle of their leader, Mrs. Richard Hitchcock was used to demonstrate how well an animal can be trained.

A safety skit using their skills on first aid was given and a story of scouting was narrated by several of the young ladies. Last they presented a fashion show of early 20th Century clothing.

Each Brownie was given a rosette fashioned by the members of troop 450 and refreshments were served.

THE WALTER Moffets of S. Williamsburg returned home shortly before Easter from a marvelous Caribbean cruise. They flew down to Ft. Lauderdale where they boarded a ship, the Hansette, a German liner.

Mrs. Moffet has only the nicest things to say of the service, the food and entertainment while aboard. Stops were made at St. Thomas, Caracas, Jamaica, Columbia, among several others.

At one of two stops made in South America, they were met by men from DuPont, Mr. Moffet's place of business, and were entertained by them. Traveling with them were Mr. and Mrs. Holden Koto and Mr. and Mrs. Wilbur Hull, also from Birmingham. The Moffets then left on April 6 to fly down to Miami Beach for a week while Mr. Moffet attended business meetings.

PROUD grandparents are Mr. and Mrs. John Gormley of Jackson Park Drive. They received word that Lt. Edward Gormley, stationed in Frankfurt, Germany, that he and his wife are now the parents of Janet Marie, who was born on Friday, March 20.

The Gormleys are looking forward to the time they will be able to see their second grandchild in person but in the meanwhile are being flooded with snapshots.

MR. AND MRS. Thomas Loring of S. Cranbrook felt the need for a change of scenery so off they flew via jet on Saturday, March 7 to San Francisco where they spent several days visiting Mr. Loring's sister.

They boarded a ship and five days later returned in Honolulu where they were greeted with swaying music and entertainers. After spending several days there they then took a six-day tour of the islands.

They spent three more days in Honolulu and then left the lands of sun and warmth on a flight back to San Francisco and a trip down to Carmel-by-the-Sea.

At home they were greeted by a huge sign put up by their daughters which said "Welcome Home." The girls were quite impressed with the souvenirs their parents had brought back to them, particularly the mau mau.

DEGREE OF LIGHT
Kappa Phi, the Methodist service club, recently held the Degree of Light for 55 initiates at Western Michigan University. Among them were Elaine Bishop, daughter of Mr. and Mrs. John K. Bishop, 1047 Madison, Birmingham; and Margaret Collick, daughter of Mr. and Mrs. Raymond K. Collick, 6086 Halsard, Birmingham.

Commuters who drive in rush-hour traffic need to carry an extra supply of patience. According to the Institute for Safer Living of the late afternoon "going home" traffic is particularly hazardous because drivers generally have reached a low mental and physical level. Many are fatigued from the day's work. Nearly everyone is anxious to reach home or other destinations. Heavy traffic and frequent delays build up tension and increase impatience. Conditions become ideal for accidents.
