

LATHRUP-CRANBROOK VILLAGE

Local Group Will Attend County Garden Club Meet

By GLORIA JESSUP
MA 6-3257

The Cranbrook Village North branch, WNPFA, will be among those gathering in the Birmingham Room of Demery's on April 18.

The joint meeting of all the garden clubs in the Oakland County area will begin at 1 p.m. Guest speaker will be Mrs. W. J. Ullman. Her topic will be "My official visit to the Netherlands."

Preceding the combined meeting, there will be a short business session for members of the Cranbrook Village North branch at the home of Mrs. Stanley Craft at 30515 Rock Creek Drive at noon. Co-hostesses will be Mesdames Earl Schmitt and Mervine Kline.

"LET'S MAKE A Hat!" will be the order of the day, when members of the Lathrup Women's Club get together on April 18. There will be first and second prizes for the most original, prettiest, and zaniest hats.

In addition there will be door prizes and card-playing following the luncheon, which will be held at Devon Gables.

Mrs. Thomas Munson will be the hostess of the day. Judging the hats will be Mrs. John Beaton and Mrs. Lawrence Till.

WHEN THE LATHRUP players present their production of "Blithe Spirit" at the end of the month, the art exhibit will again be in evidence. Brought back by popular demand, the exhibition of the talents of local artists may be viewed before, after and during the intermission of all performances of the play.

All local artists, including Beverly Hills, Birmingham and the Bloomfield area are welcome to display their talents. Mrs. Charles Buhler of Cedar Bend Drive, Bloomfield Hills, is handling the arrangements this year.

BACK IN their Westbrook Parkway home is the Kenneth Thomas family, consisting of Peter, Steven and Robin. They left home on Good Friday and their first stop was in Huntington, L. I., at the home of Mr. and Mrs. Theodore Hammen. Mrs. Thomas' brother-in-law and sister. The family also spent some time with Mrs. Thomas' mother in Summit, N. J., and his brother in Maryland, before returning home.

Off in another direction were Mr. and Mrs. Robert Schaffer and their four children of Webster. They spent the recent holiday having a grand reunion with Mrs. Schaffer's parents, her two married sisters and two single sisters, all of Chicago, Ill.

Speaks Vows

Following her marriage in March in the Shrine of the Little Flower, Mrs. Michael Hammond is at home with Mr. Hammond in Royal Oak. The bride, formerly Jayne Ann Scallan, is the daughter of Mr. and Mrs. James V. Scallan of Royal Oak and her husband is the son of Alfred Hammond of Troy and Mrs. Doreen Hammond of Subiaco, Australia. Mrs. Hammond is employed at The Eccentric.

Hopefully, They're Prize Winners

Members of the Lathrup Village Women's Club will hostess a Mad Hatter luncheon April 18 at Devon Gables. Rule of the day is that everyone must wear a confection of her own making. Prizes will be awarded for the most original, the prettiest and the zaniest. Among those competing will be Mrs. Melvin H. Humphrey (from left), Mrs. Jack Howard and Mrs. Richard Cogger.

BLOOMFIELD NORTH

Travelers Head Out In All Directions

By GLORIA JESSUP
MA 6-3257

The many local residents who vacationed with their children over the Easter vacation chose a variety of vacation spots.

Mrs. and Mrs. Lynn A. Townsend and their sons, Chuck and Richard, flew to Jamaica to relax and soak up sun. They returned to their Orchard Bend home in time for the boys to resume their studies.

Mr. and Mrs. F. W. Braun of Gilbert Lake Road left the area Tuesday before Good Friday and flew to Mexico. They were accompanied by their daughter, Carol, 18, and her friend, Betty Bode. Mr. and Mrs. John Bode of Overhill Drive. The foursome returned April 5.

IN STILL another direction, but also to a colder clime, went Mr. and Mrs. Richard V. Anderson of Deep Wood Road. They vacationed with their children, Christine, Ed, Bonnie, Ricky and Jim at their cottage on Torch Lake.

Just back from a three-week trip to Europe, Mr. and Mrs. John Picou of Wabek Way, laid aside their skiing clothes used most recently at Saint Moritz, packed for the sun and took off for the Golden Falcon in Pompano. Accompanying her parents was Bonnie Sue, 12. The Picou sons had returned to school, since their vacation did not coincide.

Also at Pompano Beach were Mr. and Mrs. Ralph Cooley and their three children of North Darlington Road.

Mr. and Mrs. Homer Finch of Oakleigh Drive jetted down and

back from Ft. Meyers Beach over their children's vacation. Lisa and Chris accompanied their parents on the ten-day trip which included a visit with Mrs. Finch's mother who makes her winter home in Ft. Meyers Beach.

ANOTHER visit with "grandma" was that enjoyed by Claudia and David Carrick and their parents, the William Carricks of Ranch Lane. They were guests of Mrs. P. E. Carrick of Ft. Lauderdale and Birmingham.

Still Meadow residents, Mr. and Mrs. Charles Moeller and their five children of Burning Tree Drive went in two different directions over the holiday.

Betsy, Polly and Mr. Moeller went to Milwaukee so the children could visit with their grandmother Moeller. After spending the week end, he flew to Miami Beach to join Mrs. Moeller and Scotty, Terry, Sharlie for the remainder of the vacation.

MR. AND MRS. Daniel Schuller of Evanston, Ill., have recent houseguests of Mrs. Schuller's parents, the Ralph Gibouts of Karen Lane.

Mrs. Charles Buhler of Cedar Bend Drive entertained about 20 of the immediate neighbors at a coffee last Thursday morning in Mrs. Schuller's honor.

"Silly Daxx" spring hats (pin cushions) marked places for members of Brookside Branch, WNPFA, when they gathered for their annual luncheon April 2 at the Village Wabek.

Guest speaker was Mrs. Arthur Stiller of Holly. Her topic was the collection and use of dried materials for flower arranging.

Co-hostesses for the luncheon were Mrs. Charles Galloway, Mrs. Gil Winn and Mrs. William R. McClure.

Enjoying the Easter vacation with their parents, Drs. Richard Eoffa of East Millerway, were

LWV Delves Into Details For Centennial

Coping with massive detail is becoming a daily chore for members of the League of Women Voters of Birmingham as they work toward the conclusion of plans for their Centennial presentation, SUFFRAGETTE '64.

The May 26 event, which will utilize the entire Community House, moved one step closer to reality Tuesday in a coffee meeting at the home of Arrangements Committee Co-chairman Mrs. Richard C. Van Dusen.

UTILIZING THEIR knowledge of legislative procedure, Mrs. Van Dusen and Co-chairman Mrs. George Fulkerson delegated authority to sub-committees and coordinated their efforts with the details presented by Mrs. Roderick Spann of the program committee and Mrs. Lawrence Avison of the art committee.

Sub-committee chairman attending the meeting were Mrs. Frederick L. Robinson, organization; Mrs. A. J. Haise, invitation; Mrs. William R. McGregor, luncheon; Mrs. Jacques Passino, reservations and Mrs. Wilfred J. Dusky, collection secretary.

Bob and Maria. Bob attends Michigan State University and Marcia was home from Northwest Michigan Junior College. Another son, Gar, attends Bloomfield Hills Junior High and Richard, who is 11 and attends Vaughn School, was only able to spend part of the vacation with his family. He was taken to Ford Hospital last Monday to recuperate from rheumatic fever.

Due to an early diagnosis, the Eoffa's expect their son home soon. After that he expects to return to his fifth grade class.

GEORGE W. LEE, son of Mr. and Mrs. Edward M. Lee of Tuckashoe Road, has recently been elected president of the Gamma Pi Chapter of Kappa Sigma at MIT. George, who is a junior this year, is also on the dean's list.

By popular demand, the custom of displaying paintings of local artists before and during the intermissions of the Lathrup Players productions has returned. Any local artist is welcome to participate. Mrs. Charles Bahler of Cedar Bend Drive is handling the arrangements for the next showing April 23, 24 and 25.

Wed in West

Mrs. Marvin Tarnoff, daughter of Mrs. Irvit A. Rogers of Bloomfield Hills and the late Mr. Rogers, was Karen Lee Rogers preceding her marriage in Los Angeles, Calif. Her husband is the son of Mr. and Mrs. Irving Tarnoff of Los Angeles. The bride's mother has recently returned from a two months' visit on the Coast.

Newest Addition

Mr. and Mrs. Gordon Kohl Ingwersen (Mary Lou Chapman) of Geneva, Ill., announce the birth of a daughter, Siri Chapman, on Feb. 22. Maternal grandparents are Mr. and Mrs. F. R. Chapman of Rochester.

YOUR GARDEN CLINIC

TIME IS OF THE ESSENCE

We recognize the fact that most of you would like to have a nice lawn, shrubs, trees, flowers, etc., but many do not want to devote all of the lovely summer days to this accomplishment.

IN THIS COLUMN WE ADDRESS OUR REMARKS TO FUNDAMENTALS—THE MINIMUM OF ATTENTION TO OBTAIN A REASONABLY SATISFACTORY RESULT.

1. LAWNS:

FERTILIZER: A thick turf can and will eliminate most crabgrass and weeds. THE MINIMUM feeding at this time requires the use of one of the following:

- 1-33 1/2 lb. bag of AGRICO 16-8-8 to 5300 sq. ft.
- 1-22 lb. bag of Greenfeed 20-10-5 to 5000 sq. ft.
- 1-50 lb. bag of Agric 10-6-4 to 5000 sq. ft.
- 2-50 lb. bags of Regal 5-0-0 to 5000 sq. ft.
- 1-50 lb. bag of Stadler XXX-10-64 to 5000 sq. ft.

2. CRABGRASS CONTROL:

(a) You may fertilize your whole lawn with the materials in No. 1 and apply PRE-EMERGENCE CRABGRASS controls to the affected areas.

Top Rated Materials are

- AGRICO PRE-EMERGE
- DOW ZYTRON
- HERITAGE HOUSE

(b) Greenfeed's triple action provides the minimum amount of fertilizer, one of the very best crabgrass controls, and a very fine soil insect control for grubs, web worms, etc.

3. DORMANT SPRAY:—

This does not mean it is for "sleepy-heads". It is for alert home-owners who want to reduce the summer sprays and also have good fruits and summer flowers.

MAPLE BLADDER GALL: Red globular balls on upper leaf surface. Spray, BEFORE buds break, with SCALECID or LIQUID LIME-SULPHUR or MALATHION.

CLOVER MITES: They are leaving the grass & shrubs and entering the homes. (They won't eat anything in your home but are obnoxious.)

- Tighten and caulk the buildings.
- Keep an 18" strip free of grass & weeds around house.
- Spray a 20 ft. strip all around the house with MALATHION or KELTHION or BOTH. Inside the house use a vacuum cleaner.

EUROPEAN PINE SHOOT MOTH: (Spruce and other needle trees) makes central branch-end twigs curl up like a brown pineapple.

IF NOT SPRAYED LAST YEAR YOU MUST SPRAY before May 1st with D-D-I-DE (a DDT emulsion). Spray again about June 25th.

ROSES: All except climbers and ramblers should be pruned now and SPRAYED with LIQUID LIME SULPHUR (1 part to 10 parts of water). Be sure to SOAK the ground also.

FRUIT TREES: Apply SCALECID (a miscible oil) before buds swell and when you can be sure of 8 hours of ABOVE FREEZING temperature.

CENTERS OF INTEREST: It just happens that we have a broad selection of BIRD BATH SHELLS, FIGURES, FOUNTAINS, SUN DIALS, PEDESTALS, etc., to enable you to develop a relatively inexpensive yet fascinating arrangement for your patio, terrace or a spot in your yard. This comment is sometimes called the "long slow curve." However, don't get scared until you have investigated.

PRE-GROWTH SUGGESTION

Camelia, rhododendron, azalea and primrose. DRENCH the GROUND NOW with ISOTOX at 1 tablespoonful to 1 gal. of water to 35 sq. ft. to control many larvae & wire worms.

AROUND HOME BUILDINGS: patios, porches, garbage cans, etc. to control mites, flies, ants, gnats, mosquitos, spiders, crickets, ticks, chiggers, etc. (What kind of a dump do you live in, anyway?) Spray with ISOTOX at 3 tablespoonfuls to 1 gal. water to 100 sq. ft.

We cannot always pinpoint the exact date but, believe us, it is usually better to be AHEAD than BEHIND. In other words—why let the bugs eat your tomatoes instead of you? ha, ha!
